## 7 UNITS WILL PARTICIPATE IN "BATTLE" HERE

Seven uniformed units of the North-South Skirmish Association have announced their intention to take part in the re-enactment of Pickett's Charge Sunday afternoon at 3 o'clock at the High Water Mark.

William Shoemaker, chairman for the Gettysburg Civil War Round Table in charge of the event, said acceptances have been received thus far from the New York Zouaves, the Second Maryland Battery, the First and Second Maryland Cavalry, the 150th Philadelphia Bucktails and a battery from Harrisburg.

In addition 38 enlisted men and five officers of the local National Guard unit have volunteered to participate. The 20 members of the Sons of Veterans Reserves of New Oxford, members of the Gettysburg SUV Reserves headed by Commander John Star, and members of the Harrisburg unit of the SUV will participate.

A number of Gettysburg College students and others have also signified their intention to participate. Shoemaker said adult male organizations are invited to participate. Those who do not have uniforms and wish to participate as Confederates need only wear a costume of a shirt and grey trousers. Muskets will be provided. Adult groups wishing to participate are asked to notify Curvin Heiss at the Lincoln Room.

**Program At 3 P.M.**  
The program will open at 3 o'clock with the sounding of the assembly call. Dr. Robert Bloom, professor of history at Gettysburg (Continued On Page 3)

## LIBRARIAN IS NEW HISTORIAN FOR COLLEGE

John H. Knickerbocker, for thirty years Gettysburg College librarian, will become college historian next February 1, according to an announcement by Gen. Willard S. Paul, college president. Knickerbocker will also assist in establishing a Civil War Institute library on the campus.

Today Knickerbocker began a sabbatical leave, during which he will travel in Europe. Mrs. Kenneth L. Smoke, N. Washington St., will serve as acting librarian until the position is permanently filled, General Paul said.

A native of New York City, Knickerbocker earned Bachelor and Master of Arts degrees at Columbia University and holds an A.B. degree granted by the New York Public Library School. He has been active in the American Library Association and other professional societies and was instrumental in establishing the Adams County Free Library.

Knickerbocker joined the college staff as chief librarian when the present library building was completed in 1929 during the presidency of Dr. Henry W. A. Hanson.

## MRS. SEASELY DIES IN YORK

Mrs. Mary Miller Seaseley, 88, former New Oxford resident, died Tuesday morning at 10:05 o'clock at her home, 473 W. King St., York, after being in ill health for nine years and bedfast for five. She operated a millinery shop in New Oxford for a number of years.

She was born in New Oxford, a daughter of the late Peter and Mary M. Melhorn Miller. She was the last of her immediate family. Her husband, David I. Seaseley, died in 1950.

Surviving are two daughters, Mrs. Mary Hilda Belling, at home, and Mrs. Lawrence S. Glass, New Oxford; a son, Peter A. Seaseley, York; six grandchildren and seven great-grandchildren.

Mrs. Seaseley was a member of St. Patrick's Catholic Church, York.

Funeral services Saturday with friends meeting at 8:30 a.m. in the Fred M. Feiser Funeral Home, New Oxford, followed by requiem mass at 9 o'clock in St. Mary's Catholic Church, New Oxford, with the Rev. Philip J. Gergen, celebrant. Burial in the church cemetery. Friends may call at the funeral home Friday after 7 p.m. Prayers will be said by the Rev. Fr. Gergen at 8 o'clock.

## LOCAL WEATHER

Yesterday's high 98  
Last night's low 67  
Today at 8:30 a.m. 75  
Today at 1:30 p.m. 92  
Last night's rain 0.49 inch

## 350 Road Deaths Are Predicted Over July 4th

The National Safety Council estimates that 350 persons will be killed, and 13,000 more will suffer disabling injuries in highway accidents over the July 4th weekend.

The estimate adds that 45,000,000 motor vehicles will be traveling a total of 9 billion miles between 6 p.m. Friday and 6 a.m. Monday. This is to be compared with a normal weekend when 40,000,000 cars are doing only 6 billion accumulated miles. During such weekends 260 and the injured 10,000, which is nevertheless quite appalling.

## CHAPLAIN TO MIGRANTS IS SERVING HERE

Plans for cooperation by county churches with the work of the Rev. Manuel Rodriguez as Protestant chaplain for the Puerto Rican migrant workers in this county were outlined Tuesday evening at a meeting of the members of the Division of Christian Missions of the Adams County Council of Churches at St. James Lutheran Church.

Elmer H. Schriver, division chairman, presided at the meeting.

The Rev. Mr. Rodriguez, who has served as summer chaplain here for the last two summers, has resumed his work here and is residing at 24 W. Middle St.

Sent here through the state Council of Churches, he is supported in part by the state council and in part by the Adams County Council of Churches from its budget for its first year of operation. The county council's funds come from member churches. A special appeal has been made to Vacation Bible Schools throughout the county to make donations toward the migrant work program in the county.

**Plan August 30 Event**  
The Rev. Mr. Rodriguez outlined plans for Saturday evening services at the various work camps with lay representatives and pastors to assist him with those services.

Plans were discussed for a special get-together Sunday, August 30, for the migrants with county churches as their hosts. The place for the event has not been chosen but the Rev. Norman Marden, Benderville Methodist pastor, is in charge of arrangements for the event. A program, transportation, worship service and publicity will be arranged.

A need was reported for Bibles, Testaments and tracts published in Spanish for distribution among the workers and an effort will be made to get American Bible Society help in that connection.

The Rev. Mr. Rodriguez said he will "welcome the opportunity" to discuss the migrant work program with groups or organizations in the county. He is a student at Providence Bible Institute assigned here for the summer.

A committee from the county ministerium is cooperating with the recently-formed division of the county Council of Churches in handling the migrant program this year.

## Hospital Report

Those operated upon this morning at the Warner Hospital for the removal of their tonsils were: Larry Shoemaker, Littlestown R. 1; Marcella and Darlene Nussbaum, Emmitsburg; Lisa Williams, Biglerville R. 1, and Kathy Morningstar, Westminster.

Admissions: George Smith, Orrtanna R. 1; Mrs. George Evanko, R. 3; Jimmy Lescalleet, Keymer, Md.; Clement Redding, R. 2; Frederick Plank Jr., R. 3; Ira Ziegler, 236 York St.; Mrs. Clarence Swisher, Fairfield R. 1; Robert Sheely, Littlestown; Charlotte Springer, Taneytown; John Bollinger, R. 2; Blaine Harvey, Biglerville.

Discharges: Miss Lulu Hankey, 50 York St.; Mrs. Howard Shultz, Biglerville R. 1; Edd King, Littlestown R. 2; Edward Stambaugh Jr., Littlestown R. 2; Mrs. Kenneth Kemper, York Springs; Mrs. Samuel Shanefelter Jr. and infant son, Littlestown; Ralph Fisel, 251 Baltimore St.; Kay Plank, New Oxford; Kathleen Cease, R. 5.

Funeral services Saturday with friends meeting at 8:30 a.m. in the Fred M. Feiser Funeral Home, New Oxford, followed by requiem mass at 9 o'clock in St. Mary's Catholic Church, New Oxford, with the Rev. Philip J. Gergen, celebrant. Burial in the church cemetery. Friends may call at the funeral home Friday after 7 p.m. Prayers will be said by the Rev. Fr. Gergen at 8 o'clock.

## PRESIDENT OF EAST BERLIN BANK EXPIRES

P. Lawrence Hoover, 76, East Berlin R. 2, president of the board of directors of the Peoples State Bank, East Berlin, died at 12:30 a.m. Tuesday at the Hanover Hospital.

A son of the late Jacob R. and Sarah Wolf Hoover, he was a lifelong resident of the East Berlin area and was engaged in farming.

He was a director of the Peoples Bank the past 48 years and served as board president for 10 years. He was a director of the Coneywago Independent School District for 40 years and was serving on the Adams County board of viewers. He was a former tax collector and a member of the county draft board during World War II. Mr. Hoover was a member of the United Church of Christ, Abbottstown.

Surviving are a foster daughter, Mrs. Harry Mummert, who, with her husband, resided with Mr. Hoover; three sisters, Mrs. William Kling, New Oxford; Mrs. Ross Rebert, Pleasant Hill, and Mrs. Floyd Wolf, Harrisburg, and two brothers, Lester and Heimer Hoover, Abbottstown.

Funeral services conducted by the Rev. John Z. Martin at the Emig Funeral Home, East Berlin, Friday at 10 a.m. Burial in Mt. Olive Cemetery, Abbottstown. Friends may call at the funeral home Thursday evening.

Who put the fireworks in the Fourth of July?

Much of the credit goes to John Adams. The Founding Father declared that Independence Day "ought to be solemnized with pomp and parade, with shows, games, sports, guns, bells, bonfires, and illuminations, from one end of this continent to the other, from this time forward for evermore."

So, from that time forward, the birthday of the U. S. has been marked by brilliant explosions of color and noise . . . and the deaths and accidents that invariably accompany them.

**Americans, however, got the idea for fireworks from Europeans, who got the idea from the Arabs, who merely copied the Chinese.**

In 1232 A.D., when a Chinese city was besieged by Mongols, the defenders cooked up a batch of saltpeter, sulfur and charcoal and frightened their attackers with "arrows of flying fire."

Arabs were quick to copy these weapons, which probably were rockets. The Crusaders brought them back to Europe, where the Italians discovered that they made fancy exhibitions as well as formidable weapons.

**By the time fireworks spread to England and France, figures and structures of wood and plaster had been added.**

In 1520, when Henry VIII met Francis I on the Field of Cloth of Gold in northern France, the historic moment was celebrated by the appearance of a huge dragon that thundered across the sky breathing fire.

By the 1600's, fireworks had developed into such an art that two schools of thought had arisen to argue over methods of display.

**The Southern school, centered in Italy, concentrated on building elaborate structures such as castles and temples, from which the fireworks were exploded. The technique of setting off the fireworks was shrouded in mystery.**

The Northern school, influenced by the Protestant movement in Germany, thought the Italian procedure smacked of popery. The Northerners exhibited their fireworks before the show, for all to admire, and then made them the important part of the display.

While the two schools fumed over their fireworks, fireworks crossed the Atlantic and became an American institution.

**Independence Day was first celebrated in Philadelphia on July 8, 1776, the day when the public learned the actual words of the Declaration of Independence.**

The Declaration of Independence was called a unanimous (Continued On Page 3)

## "Mom" And Daughter Are Reunited In Gettysburg

Mrs. Bernard Stock (right) and Miss Mary Zazal

Thirty-one years is a long time for a visit, Miss Mary Zazal, of Chicago and formerly of Gettysburg, said this week as she and her "mom" of 13 years were reunited.

Miss Zazal lived with Mr. and Mrs. Bernard Stock, 124 N. Stratton St., from the time she was a little girl of four or five until she was 17. She was like a daughter to them and they like parents to her. But 31 years ago she went to Chicago to visit her mother and brothers and sisters from whom she had been separated 13 years earlier and she just stayed.

It wasn't ingratitude on the part of Miss Zazal, Mrs. Stock said. It was just that Mary's mother felt she needed her and Mrs. Stock agreed that it was proper for Mary to stay with her.

To understand the story one must turn back to the events of 44 years ago. Mr. Zazal was in Philadelphia, and destitute. He left his young daughter, Mary, with the Quaker City. Although the arrangement was supposed to be temporary, it turned out to be otherwise.

**Language A Problem**  
Mary's father was an immigrant and didn't speak or understand English. Mrs. Stock, who had come here from Austria, was able to converse with him. Thus it was that he entrusted his daughter to the Stocks.

When the Stocks moved to Gettysburg, Mary came along. She grew up in this community. Then, later, when she learned that

## Three Treated At Warner Hospital

Waldo Hartman, 21, R. 3, was treated Tuesday at the Warner Hospital for a sprain of the right foot and ankle suffered when he fell into a flower garden after a ladder slipped while he was roofing a house.

Sandra L. Grossman, 6, White Stone, N. Y., was treated for a fracture of the right shoulder suffered when she fell down a flight of cellar steps in Harrisburg.

Carol Friday, 16 months, Canton, O., received treatment for a fracture of the left arm sustained in a fall.

## OFFICE TO CLOSE

The Adams County Selective Service office will be closed Friday, July 3, it was announced today.

## President Says Inflation Will Be Big Issue In 1960 Campaign For Presidency

WASHINGTON (AP)—President Eisenhower said today the matter of inflation will be one of the main issues of the 1960 presidential campaign.

The President also told a news conference that he not only looks for a balanced budget in the new fiscal year starting today—he expects a start on paying off the 286-billion-dollar national debt.

And, he said, he believes the Democratic-controlled Congress also expects the administration to start paying off the debt during the next 12 months.

He noted that Congress has just approved legislation—which he signed Tuesday—providing for a new permanent debt ceiling of 285 billion dollars.

**\$295 Billion Limit**  
The legislation also sets a temporary limit of 295 billion. Final figures have not been released on the government's deficit in the fiscal year which has just closed. But it is in the neighborhood of 13 billion dollars.

(Continued On Page 2)

## COUNTY TO GET NEW WEEKLY "NEWSPAPER"

Adams County will soon have a new "newspaper"—the "Adams County Legal Journal."

The county court today handed down an order which gave the final approval to the publication, which has been studied by the Adams County Bar Association since May.

Attorney Edward B. Bulleit said the first issue of the paper will be published on July 17 and that plans call for it to be published weekly thereafter with Attorney Donald G. Oyer as editor.

Bulleit is chairman of the special committee of the Adams County Bar Association appointed to study the possibility of such a publication. When it recommended that a law journal be published it was given the job of bringing the proposed publication into existence.

**To Publish Opinions**  
The new "Journal" will print all of the legal advertising of the county and will print all of the opinions of the Adams County court "and other matters of interest to attorneys and others interested in law."

Plans call for the advertisements and notices to be on the first two and last two pages of the publication. The opinions will be printed on the inside pages. This will permit the exclusion of the opinions so they can be bound from time to time.

The order of court handed down today directed that the rules of court be amended to state generally that legal advertisements will appear in a publication of general circulation in Adams County—the regular newspapers—"and in the Adams County Legal Journal." The order directs that the Legal Journal be "designated for the publication of court and other legal notices," and adds that legal notices "may" be printed in the Journal as of July 17 and "shall" be printed in the Journal after August 1.

## Sign Contract On Test Borings

The Adams County commissioners at their meeting in the court house this morning signed a contract to pay Geo-Surveys, Camp Hill, Robert J. Stickel, owner \$750 for test borings conducted at the site of the proposed new county home as one basis for bids on the structure.

The commissioners said the test borings had been completed but said they could not estimate when work will begin on the new Adams County Home for the Aged.

The plans are now before a federal agency for study of the possibility of some Hill-Burton funds being approved for the construction and until final decision is reached by the agency no further plans can be made. When all is approved the matter will have to go before the court for final approval before any contracts can be let or work started.

## Scout Leaders To Go To Tolchester

The annual trip to Tolchester Beach, Md., for leaders of the Black Walnut Boy Scout District will be held Sunday, August 9, it was announced today.

Sebastian R. Hafer, E. Water St., will again serve as general chairman for the trip and those planning to attend are asked to contact him as soon as possible.

The Tolchester trip began four years ago with the commissioners of the district and their families taking part. Last year attendance was extended to the members of the district committee and their families. This year, Hafer said, all registered adults in the district are invited.

## SELL HOME HERE

Mr. and Mrs. John E. Snyder have sold their home at Gettys St. and Fairview Ave. to Mr. and Mrs. Fred J. Neal, Gettysburg R. 2, and have given immediate possession. The Snyders have moved to the former C. M. Wolf residence they recently purchased on the Harrisburg Rd. The Gettys St. property was sold by William A. Bigham, local realtor.

## THIS HAPPENED HERE

July can be cool in Gettysburg. The "Star and Sentinel" of July 15, 1884, seventy-five years ago, had this notation in its "Local Items" column:

"A cold wave struck this section on Sunday night, requiring winter clothing for comfort."

## 39 JUNE BRIDES

Thirty-nine marriage licenses were issued by the office of the county clerk of courts during June. The number compares to 43 during June a year ago. So far this year 141 licenses have been issued compared to 156 during the comparable six months a year ago.

## Dairy Named In Sanitary Bd. Order

Foremost Dairies, Inc., York Springs, have been ordered by the state Sanitary Water Board at Harrisburg to stop discharging polluting wastes into an unnamed tributary of Latimore Run or file plans by June 1, 1960, to make satisfactory of its waste material.

The order against the Adams County firm was included in a list of other similar orders against businesses in Chester, Bucks, York and Montgomery Counties.

## 34 FOREIGN STUDENTS TO VISIT COUNTY

Thirty-four foreign exchange students of the American Field Service, representing 17 different countries, will arrive in Littlestown on Friday afternoon. They will be in the community on July 3, 4 and 5 and will be guests of families of St. Paul's Lutheran Church. Their visit here is being sponsored by the Young Men's Bible Class of St. Paul's Church. The class has made all the arrangements for their stay.

All of these students have spent the last school year with an American family in the Erie, Pa., area, while attending the senior year in a U. S. high school. They are part of 1,170 students who came this year from Europe, Central and South America, and the Near and Far East under the auspices of the American Field Service. Their stay in Littlestown is part of a three-week tour which the Field Service provides for the students at the end of their school year, on buses chartered from the Greyhound Corp., in cooperation with some 270 participating towns and communities.

The students on this tour will be traveling through the western part of Pennsylvania before coming to Littlestown. All 34 buses making the tour this year will meet in Washington, D. C., on July 15, where the students will be received by Congressional and other national leaders. They, also, will attend luncheons at their Embassies. They will then go to the New York City area for four days prior to returning to their home countries. It is hoped that better international relations are gained through a broader understanding of the peoples of the world, by the promotion of these tours by the American Field Service.

**Give Schedule**  
The tentative schedule for the Littlestown stop follows: Friday, 3 p.m., arrival, and the bus will park on the lot in the rear of St. Paul's Church; 3:30-5 p.m., opportunity to refresh up at the (Continued On Page 9)

## Two HS Teachers Have Resigned

Two Gettysburg High School teachers have submitted their resignations, effective this summer, and will be replaced before the public schools open for the fall term, Superintendent of Schools H. Edgar Riegler said today.

Mrs. Donald Joseph, who has taught typing and office practice in the commercial department of the high school for the last 15 years, has resigned because her husband, who is employed in the sales department of the C. H. Musselman Company, is being transferred to Washington, D. C. Raymond Ellis, a civics teacher here for the last four years, has resigned to begin two years of active duty in the U. S. Navy.

## Exchange Invited To Charter Night

The Gettysburg Exchange Club will not meet locally next week, it was announced at the club's meeting Tuesday night in Sanders' Restaurant, Hunterstown. The club has been invited to the charter night meeting of the new Shippensburg Exchange Club Thursday, July 9, at the Ranch, near Shippensburg.

John J. Slentz, district governor and a member of the Gettysburg club, will present the charter to the new organization. Members of the Gettysburg club who plan to attend were asked to make reservations with Slentz by Saturday.

The club will resume its regular meeting schedule Tuesday, July 14, when it will meet at the Marsh Creek cottage of President Phil Neth.

## FIREMEN CALLED

Biglerville firemen were called out Tuesday evening about 8:30 o'clock at the height of the electrical storm. The alarm came from the tenant house on the Fred Baker farm a short distance south of Biglerville along the Gettysburg Rd. The storm had caused branches of a tree to cross electrical wires that sent showers of sparks through sections of the house. There was no damage. Robert Gettler is the tenant.

## RAIN AND HIGH WINDS BATTER COUNTY AREAS

A heavy rain, lightning and wind storm Tuesday night about 8 o'clock caused considerable damage to trees and television aerials, cut attendance at both the Fairfield and Gettysburg firemen's festivals and blocked traffic in Gettysburg and on the Lincoln Highway. The storm moved south and east over portions of the county.

Large trees and wires were tumbled across the Lincoln Highway at a number of spots west of Cashtown. Highway crews removed debris and state police directed traffic until the road was cleared.

A number of television aerials were destroyed, including a new tower at the home of Mrs. Catherine Gitt Schultz on E. Broadway and the antenna at the home of Mrs. Roy A. Weaver Sr., 36 E. Lincoln Ave. The antenna at the home of Charles Bender on Broadway was bent by the strong winds.

**Power Failures**  
Gettysburg residents in the northern end of town were without power for about an hour. The Majestic Theater had shown about half of its feature when the power failed. When it became evident that the power would not be restored, rain tickets were issued to the customers.

The Hotel Gettysburg was without power, other than emergency circuits, for about two hours. Electric wires in Race Horse Alley near The Times were torn down and burst into flames. Similar scenes occurred in the western part of the county. At Gettysburg College huge limbs littered the campus. United Telephone Co. workmen were called to repair lines.

**Damage To Trees**  
Lightning struck the home of Clarence Keller, Gettysburg R. 5, and burned out some light bulbs, and possibly the TV set.

On Carlisle St., near Swope's Atlantic Station, a large tree crashed into a pole, breaking several circuits of the telephone company.

Wherever there were trees, there was litter after the storm. One tree at the Donald McPherson property on Carlisle St., and some trees on college property were blown down.

At the intersection of Washington St. and Steinwehr Ave. the 98 degree heat of Monday and Tuesday caused some concrete under the black top to expand and burst through. Highway Superintendent Clyde Garber said. They finished repairing that area about 10 o'clock. Traffic was held up, and (Continued On Page 2)

## COURT RULES IN INSURANCE ACTION HERE

The Adams County court today handed down an opinion dismissing preliminary objections by two fire insurance companies to the contention of Alton W. and Hallie A. Snyder, Gettysburg R. D., that a mortgage against their property in Adams County should be marked satisfied when the insurance companies paid off the holder of the mortgage after a fire.

The Snyders purchased a farm on December 23, 1954, and the next day gave a mortgage to William B. Pryor in the sum of \$8,500. They then obtained insurance policies from the Hartford Fire Insurance Co. in the amount of \$14,900. Each policy had a standard mortgage agreement with it.

When the dwelling on the property was destroyed by fire February 5, 1955, both companies denied liability to the Snyders and between them paid Mrs. Pryor \$8,824.37, representing the amount of the mortgage and interest. Mrs. Pryor then assigned the mortgage to William G. Munroe, Harrisburg, who holds it as trustee for the two insurance companies.

**Sustains Demurrer**  
The Snyders claim that since the mortgage was paid the mortgage should not be held against them, but instead should be marked satisfied.

Mrs. Pryor demurred to the claim alleging she no longer has anything in it, and the court sustained her demurrer thus dropping her from the case. The insurance companies held that since the claim was not made within a year it could not be made, asked more specific details and raised numerous other objections. The court ruled against the objections with one exception. It held that copies of the insurance policies must be added to the record within 30 days.

New shipment of cool summer dresses 9 to 15 12 to 20, 14 1/2 to 24 1/2. Rose Ann Shop, 26 York St.

# CHIEF URGES BIKE RIDERS TO BE CAREFUL

Care, courtesy and common sense will make the July Fourth holiday and the remainder of the summer safe and happy for bike riders in this community. Police Chief Jack Bartlett stated today.

"Bike riders can insure the safe and happy operation of their bikes on July Fourth and the rest of the year if they will follow the 12 rules of safe riding issued by the Bicycle Institute of America," Chief Bartlett said. He noted that this year Independence Day will be a three-day holiday and urged greater caution for both drivers and riders during the long weekend.

The rules apply to all traffic situations, he stated, and urged all riders to follow them carefully to insure a summer of pleasant, carefree riding. The rules are:

**12 Safety Rules**

Observe all traffic regulations, signs and lights.

Keep to the right. Ride in single file.

For night riding, have headlight and rear danger signal. Wear white or light-colored clothing.

Have workable horn or bell. Maintain safe speed.

Watch for cars pulling into traffic. Be careful of doors opening on parked cars.

Never hitch on other vehicles. Do not stunt or race in traffic. Carry no passengers or objects which interfere with vision or proper control of the bike.

Keep your bicycle in perfect operating condition. Make sure the brakes are functioning properly.

"Stop, Look and Listen" at all traffic intersections.

Always use proper hand signals for turning and stopping.

Ride in a straight line—do not swerve or weave.

Avoid sidewalk riding. Always give pedestrians the right of way.

# RAIN AND HIGH

(Continued From Page 1)

then one-way traffic was maintained during the repairs.

The storm had an unusual pattern. While wind and rain pelted the area from Wensville to the Lincoln Highway and east, only wind and a sprinkling of rain were reported at Fairfield, and at New Oxford there was rain, but no wind.

The storm drove patrons at the Gettysburg firemen's festival to cover. Firemen kept the festival going after the rain until about 11:30 o'clock.

**Defier Fireworks**

The half-inch downpour of rain made it too wet to put off the fireworks and as result the "simulated atom bomb" piece was postponed until tonight. C. William Zhea, fireworks chairman, said half of the display originally scheduled for Tuesday night will be added to tonight's schedule of fireworks and the other half will be added to Thursday's display.

WGCT suffered only brief intermittent interruptions of service.

At Fairfield a large crowd had gathered for the opening of the firemen's festival there. The approaching thunderstorm sent most of them home.

At Arendtsville 1.1 inch of rain fell.

William Lentz, Metropolitan Edison manager, said a wire which fell at the Gettysburg Furniture factories interrupted service in the northern section of town. Other interruptions were reported at Barlow, Booneville and Biglerville. On Oak Ridge limbs of a tree brought down wires.

Lentz said, "Actually we had little trouble considering the great number of trees and tree limbs that were torn down. We were lucky that many more wires were not damaged."

**Some Areas Escape**

Except for the band of damage from Cashtown east through Gettysburg the county was apparently little affected by the storm. Reports from the southern part of the county and northern Maryland communities range from no rain to "a few drops."

The storm brushed Orrtanna and disrupted some telephone service in that area.

York Springs had a severe electrical storm early Tuesday afternoon. A large tree was felled north of the town on the property owned by Mrs. Ross Koons and occupied by Clair Bowers. But the community did not share the night storm.

Rain pelted parts of the Cone-wago Creek basin and the stream was running high and muddy this morning. Rainfall was heavy in some sections north of Biglerville. Biglerville itself had a heavy storm with high winds that blew down some tree limbs and interrupted some telephone service.

One resident of Highland Twp. reported experiencing heavy rain at his home but said that neighbors a mile away reported no rain.

C. H. Musselman Co. fruitmen reported, following an inspection of company orchards throughout the county, that the fruit had escaped damage.

In New Oxford high winds gave promise of a heavy storm but rainfall was disappointingly light.

# Social Happenings

For Social News Phone Gettysburg 1248 or 640

**YWCA, Lincoln Square, will be** open during the parade hours Thursday from 6:30 to 8:30 p.m. It will be closed all day Saturday, July 4.

**Mr. and Mrs. Franklin Koonz** and family, R. 5, spent Saturday in Washington, D. C., visiting the zoo and other places of interest in the city.

**Jimmy and Ronnie Redding,** sons of Mr. and Mrs. Martin A. Redding, Long Lane, are spending a few days with their grandparents, Mr. and Mrs. Romanus Florence, Emmitsburg.

**The regular meeting of the VFW** Auxiliary will be held tonight at 8 o'clock at the post home on E. Middle St. New members will be initiated. Refreshments will be served.

**The next regular meeting of the** Queen of Peace Council of St. Francis Xavier Church will be held Monday, July 27, instead of July 17 as stated in Tuesday's edition.

**Mr. and Mrs. Francis Frew and** son, Ronnie, Seminary Ave., and their daughter and granddaughter, Mrs. Frank A. Jordan and Debra, York St., have returned home after a three-day visit to Ocean City, Md.

**Miss Mary Ann George, daughter** of Mr. and Mrs. Thomas George, Chambersburg St., is in Pittsburgh, visiting friends and relatives.

**Mrs. Herbert Hall and daughter,** Sherri, Naples, Fla., have returned home after spending two weeks with her mother, Mrs. Carrie Hippensteel, York St., and her brother and family, Mr. and Mrs. Charles Wilkinson, Seminary Ave. They also visited friends and relatives in the community.

**Mr. and Mrs. Howard Hartzell,** Lincolnway East, were dinner guests at the home of their son-in-law and daughter, the Rev. and Mrs. Ross Forney, and family, Wheaton, Md. Tuesday. The occasion was Mr. Hartzell's birthday.

**Mr. and Mrs. J. Albert Chris-**mer and family, Hopewell, Va., are spending several days with Mr. and Mrs. Thomas B. Gebhart, Booneville.

**Frederick W. Myers, R. 1, is a** patient in the Veterans Hospital, Lebanon, Pa., where he is undergoing rehabilitation and surgery. He expects to be there about two weeks.

**Mr. and Mrs. Nelson E. Zapf** have moved from 74 Springs Ave. to 582 Montgomery Ave., Chambersburg. Mr. Zapf has been elected to teach in the Chambersburg School System, and Mrs. Zapf is a guidance counselor at Central Junior High School in Chambersburg.

**A stork shower was held Tues-**day evening for Mrs. C. Richard Knox, E. Middle St., at the home of Mrs. Joseph Miller, R. 3. The co-hostesses were Miss Leonide Bowling and Mrs. John Blackburn. Eighteen guests were present: Mrs. Catherine Bowling, Mrs. Roy Mihlimes and daughter, Kaye, Mrs. Harvey Sanders, Mrs. Floyd Currens, Mrs. Ira McLaughlin, Mrs. Thomas Metz, Mrs. Moe Shryock, Mrs. Edgar Bowling, Mrs. Michael Tate, Mrs. Kenneth Dengler, Mrs. Ned Crouse, Mrs. Dale King and Mrs. George Bowling. Many gifts were received and refreshments were served.

**Seventeen women golfers of the** Gettysburg Country Club were guests of the Waynesboro Country Club Tuesday on Guest Day. Prizes were won by Mrs. Richard Schleicher for low gross; George Bender, for low net and Mrs. Richard Fink for the lowest number of putts for the Gettysburg women. Prizes won by the Waynesboro group were: Mrs. George Wallace, low gross; Mrs. Daniel Ruth, low net, and Mrs. Rhea Barnhart, lowest number of putts.

**Next week the Gettysburg golf-**ers will play a match with the Hanover Country Club Women at Abbottstown. All ladies are invited and are asked to sign up in the ladies' locker room by Sunday.

**The education committee of the** Soroptimist Club met with new members at its last session of the year at the home of Mrs. Samuel Higinbotham, chairman, Marsh Creek Heights, Tuesday evening. The new program committee met with Dr. Elizabeth Gregg chairman at her home, Highland Park, Monday to plan the programs for the year.

**The 50-50 Class of the St. James** Lutheran Sunday School will hold its July meeting at the home of Mr. and Mrs. John Settle, Knoxlyn Rd., off the Lincoln Highway, Monday evening at 7:30 o'clock. It will be an outdoor meeting.

**Three members of the Gettys-**burg College faculty are attending the annual American Alumni Council conference at the Grand Hotel Mackinac Island, Mich. They are Dr. Harold A. Dunkelberger, assistant to the president and

# 55 COURSES ARE OFFERED SECOND TERM

Fifty-five courses will be offered by Gettysburg College during the second term of the summer session July 20-August 28. Dr. Richard A. Arms, director, announced today.

Basic and advance courses in 21 departments are included in the 6-week program. Featured is a Civil War study group August 2-7. Courses fulfilling certain teacher certification requirements in education and health and physical education are available. A second term student may take seven semester hours, nearly a half semester's work.

The session, with its informal atmosphere, is designed for teachers in service, persons interested in specific courses, students who wish to accelerate their academic progress, and new students. Normal services and facilities, such as dormitories and dining hall, will be available as will campus and area recreational facilities. A detailed summer session brochure is available by mail from the college dean of admissions. Applications for enrollment should be made to the dean of admissions.

**Broad Curriculum**

Academic areas represented in the summer program are Biblical literature and religion, biology, chemistry, dramatic arts, economics and business administration, education, English, French, German, Greek, health and physical education, history, Latin, mathematics, music, physics, political science, psychology, Russian, Spanish, and speech.

The second annual Civil War Study Group August 2-7 will include lectures, discussions and tours of Harpers Ferry and the Gettysburg Battlefield.

Prof. T. Harry Williams, Civil War authority from Louisiana State University, will speak on the development of the Army Command System as it evolved from the conflict. Others who will assist in the program are: Dr. Frederick Tilberg and Dr. Harry Pfanz, both Gettysburg National Military Park historians; Col. Don H. McGovern, Army War College, Carlisle, and Herbert Kissling, Harpers Ferry National Monument historian.

There are no prerequisites for enrollment, and no college credit is offered. A fee of \$25 will admit each person to all lectures and tours. Further information is available from Dr. Robert L. Bloom, study group director, Gettysburg College.

In addition to the summer session and study group, five conventions, most of them Lutheran Church-related, this summer will attract about 1,750 persons to the campus of the oldest Lutheran College in America.

# KLUMPP JURY TO GET CASE FOR VERDICT

By HAROLD HARRISON

CINCINNATI (AP) — Eddythe Klumpp's fate on a charge she murdered her lover's estranged wife goes to a Hamilton County Criminal Court jury today.

The jury of six men and six women must decide whether Mrs. Klumpp, a blonde 41-year-old divorcee and mother of four, should be acquitted, sentenced to death or given a prison term.

The state claims it was just eight months ago Tuesday that Mrs. Klumpp fatally shot and bludgeoned Louise Bergen, 32, on a secluded street here. Mrs. Klumpp had been living with Mrs. Bergen's husband, William, 30, for several months. The state claims she feared Bergen was about to go back to his wife.

Mrs. Klumpp admitted during a nine-hour session on the witness stand she was involved in the shooting. She said, however, it was accidental as she grappled with the younger woman over a pistol she said Mrs. Bergen was pointing at her.

She also admitted putting the body into the trunk of her car, keeping it there overnight and then taking it to Lake Cowan in nearby Clinton County the next day and burning it.

She taught a sewing class a few hours after Mrs. Bergen's death. The body was in the car at that time.

She testified she didn't tell authorities or Bergen of the shooting and body burning because she was scared and feared no one would believe her.

**MISS JACOBY**

Mr. and Mrs. Kermit Jacoby, Gettysburg R. 4, announce the engagement of their daughter, Naomi Virginia, to Paul William Warren, son of Mr. and Mrs. Paul Warren, York Springs R. 2. Both are graduates of Biglerville High School this year.

No date has been set for the wedding.

# Weddings

**Bowling—Andrew**

Miss E. Myrtle Andrew, Orrtanna R. 1, and William M. Bowling, 215 W. Middle, were married Saturday at St. Mary's United Church of Christ, Silver Run, by the pastor, the Rev. Christopher J. Noss. Mr. Bowling is employed at the Carroll Shoe Co., Littlestown. The couple will reside at Gettysburg R. 2.

**BIRTH ANNOUNCEMENTS**

**At Warner Hospital**

Mr. and Mrs. Clarence Swisher, Fairfield R. 1, daughter, today.

**At Hanover Hospital**

Mr. and Mrs. Philip E. Nell, New Oxford R. 2, son, Monday.

**CURB BREAD DELIVERIES**

HOUSTON, Tex. (AP)—Trucks which normally deliver 95 percent of the bread consumed by the 1,135,000 people in metropolitan Houston were idled today by a truck drivers strike. Bread produced during the strike will be baked by supervisory personnel, company spokesmen said. Locals 940 and 949 of the Teamsters Union rejected an offer of a \$10 per week wage increase and a three-year contract.

# BECK ARREST IS ORDERED

NEW YORK (AP) — Former Teamster boss Dave Beck failed to show up today for pleading to charges that he accepted \$200,000 from two truck firm executives while he was union chief. A federal judge immediately issued a warrant for his arrest.

When Beck's case was called in the court of Judge Gregory F. Noonan, neither the defendant nor his lawyer replied.

Asst. U.S. Atty. Donald Shaw then told the court that the case had been delayed from last week until today at the request of Beck's Seattle lawyer.

Shaw suggested that no action be taken at the time, but that Beck and the lawyer be given another chance to show up later in the day. If they did not appear then, he said, a warrant could be issued.

However, Judge Noonan's face flushed and he snapped:

"Oh, no. I think a warrant should be issued right now. He is not going to play footsie with us. 'I think if he does not have the sense to come in when notified he should be brought in here by an army if necessary.'"

**CARS COLLIDE**

Damage totaled \$75 when two cars collided six miles south of 2.55 o'clock Tuesday afternoon. State police said George Eugene Easton, 75, of San Diego, Calif., attempted a left turn in the path of a northbound auto operated by Miss Nancy Douglas, 21, of 139½ Hanover St. Damage was estimated at \$25 to the Easton auto and \$50 to the Douglas car.

**NEW YORK EGGS**

NEW YORK (AP)—(USDA) — Wholesale egg offerings moderate. Demand fair. Receipts 19,300. New York spot quotations nearby whites: Top quality (48-50 lbs) 41½-44; mediums 37-39; smalls 22-23; peewees 16½-17½. Browns: Top quality (48-50 lbs) 42-44; mediums 36-37; smalls 23-24; peewees 16-17½.

**LANCASTER LIVESTOCK**

LANCASTER, Pa. (AP)—Cattle 300, good slaughter steers 26.00-28.25, medium and good feeders 26.75-30.50, good stock calves 31.00-35.00. Calves 100, good and choice 28.00-34.00, prime 34.00-37.00. Hogs 150, barrows and gilts 17.00-17.25. Sheep 25, no market.

# Upper Communities

Telephone Mrs. John Leeti, Biglerville 8

**Mrs. Paul Gelwick, Aspers,** has been admitted to the Carlisle Hospital. Robert Day, Gardners, has been discharged from the same hospital.

**Mr. and Mrs. Ralph Griest,** Gettysburg R. 4, attended the wedding Saturday of Mr. Griest's nephew, Stewart A. Griest, and Miss Louise Lieberman, Pen Argyl, Pa., in St. Peter's Lutheran Church, Plainfield Twp. They also were among the 500 who attended the reception. Others from the community attending were Mr. and Mrs. James Althoff and family, Biglerville; Mr. and Mrs. Lee Frey and family and Horace Frey, Abbottstown; Richard Griest and Ruth Forney, Hanover; Russell Whisler, Maurice King and John Masemer, York Springs; Kate Sheets, York; Rachael Paxton, Lemoyne; the bridegroom's grandfather, Peter J. Griest, York Springs, and Miss Sarah Jane Griest, York Springs, sister of the bridegroom who was one of the bridesmaids.

**Pfc. Harry Alessie, Ripley, N. Y.,** and Pvt. Rebecca Roth, daughter of Mr. and Mrs. Sterling Roth, Biglerville, both of whom are serving in the U. S. Marine Corps and who are stationed at Quantico, Va., were married on June 5 in Quantico. They spent the weekend in Biglerville with Mrs. Alessie's parents, Miss Connie Roth, Biglerville, returned to Quantico with them for a week's visit with her brother-in-law and sister.

**Guests Monday at the home of** Mr. and Mrs. M. Francis Coulson and family, Biglerville, were Mrs. Raymond Filosa and daughter, Margaret, Philadelphia.

**The society of Farm Women of** Pennsylvania will meet at the home of Mrs. Ernest Bream, Gardners R. 1, Friday evening at 8 o'clock.

**Mr. and Mrs. Jerry Foreman,** Mt. Union, Va., visited over the weekend with the latter's parents, Mr. and Mrs. Ward Taylor, Bendersville.

**Miss Linda Roberts, Guernsey,** is attending Intermediate Camp at Camp Nawakwa this week.

**The Senior Choir of St. Paul's** Lutheran Church, Biglerville, will not rehearse this week.

**Overnight guests Saturday at** the home of Mr. and Mrs. George L. Baugher, Aspers, were their son-in-law and daughter, Mr. and Mrs. Richard Barnhart, and family, who were enroute from a week's vacation on the Rappahannock River in Virginia to their home in Buffalo, N. Y. Weekend guests at the Baugher home were their son-in-law and daughter, Mr. and Mrs. Richard Falk, and daughter, Kathy, Harrisburg.

**Class 3 of the Bendersville Meth-**odist Church held a covered dish picnic supper Saturday evening at the Bendersville Park with 49 members and families in attendance. After the supper, games were played. There will be no meeting of the class in July.

**Mr. and Mrs. Donald Gilbert** and son, Dwight, Hickory Corners, Mich., are visiting for several weeks with friends and relatives in this community.

**Mrs. Earl Carey, Biglerville, is** confined to her home as the result of a fall while stepping from the porch of her home Sunday morning and fracturing her right ankle.

**Frederick Naylor and Oliver** Martin, Aspers R. D., and Bob and Harold Weaver, Gettysburg R. 4, spent the past week at Ocean City, Md.

**Mr. and Mrs. Robert Reiter** and children, Laurie, Richard, Tommy and Carol Ann, Haddonfield, N. J., visited over the weekend with Mrs. Reiter's mother, Mrs. Warren Enck, Biglerville. Laurie and Richard are spending this week at Camp Nawakwa and Mrs. Reiter and Tommy and Carol Ann remained with Mrs. Enck for the week.

**The closing program of the Up-**per Bermudian Lutheran Charge Daily Vacation Bible School was presented Sunday evening at Mt. Zion Lutheran Church, Goodyear. The program was as follows: For Jesus; song, "There's A Welcome Here"; theme song, "Following Jesus"; pledges; word of welcome; song, "Follow Jesus"; introduction of departments and teachers; Nursery department—"Jesus Loves Me," finger plays, "Zacheus" and "Jesus Knocks Knocks"; song, "Follow Jesus"; Beginner Class — march song, "Jesus Loves the Children," "Prayer Song," sentence prayers, and finger plays; song, "Jesus Is Mine"; song, "I'll Be A Sunbeam"; prayer; song, "Follow Jesus"; Primary Department — songs, "Jesus Loves the Little Ones" and "Hear the Clock," "A Day at Bible School"; songs, "I Washed My Hands" and "The Carpenter's Hammer"; song, "Follow Jesus"; Junior Department — songs, "Let There Be Light" and "Happy All the Time"; recitation, "A Question to Answer," Beverly May; play, "A Faithful Follower"; recitation,

## PREPARE NOW FOR SCHOOL IN SEPTEMBER

By DOROTHY V. WHIPPLE, M.D.

The Associated Press

The long summer lies ahead, school seems far off, but now is the time to make sure your child will be in the best of condition when school begins.

You will have time during the summer to do whatever needs to be done.

Make an appointment with your doctor and have a complete physical examination for each one of your children. Talk over with your doctor any and all problems you have with the children.

Johnny has had a lot of sore throats this last winter and a few times he has had infected ears. Is his hearing normal now? Maybe his tonsils are badly infected and should come out. Your doctor will not advise this operation unless it is necessary. We don't any longer drag out tonsils just because they are big. But if they really are in bad shape, now is the ideal time to have them removed.

### Do It Now

How about weight and nutrition? Has your youngster gained enough and not too much? Maybe you need to look into his diet more carefully—too many snacks and not enough muscle building staples. Maybe it is a little extra sleep he needs.

How about eyes? Every child should have an eye test once a year. If your child has had trouble in school, make very sure you get both his vision and his hearing checked. No child can learn well if he cannot see the blackboard or hear the teacher clearly.

Is his posture good, are his muscles firm and strong? Is his color good?

### Ask The Doctor

Talk over with your doctor your plans for the summer. Try to see that whatever your plans, there is plenty of time and opportunity for good play outdoors.

For some children some weeks at camp are wonderful—but not for all children. And if you are planning to send a child to camp, make sure that the camp will give your child what he needs. A timid, shy child has quite different needs from a camp than an overly aggressive headstrong child.

Does your child suck his thumb, wet his bed, dawdle over his food? Talk these problems over with your doctor. Maybe that invitation from grandma would be exactly the right thing. Andy has been in the shadow of his older brother all winter. He can't call his soul his own. You

## Sketches

By BEN BURROUGHS

### "YOU AND THE SEA"

Come take my hand and we will stroll . . . along the beach tonight . . . we'll kiss, and whitecaps kiss the shore . . . how beautiful you look, my love . . . as the sea breeze fans your hair . . . your silhouette upon the sand . . . there's a picture rare . . . there's nothing else but you tonight . . . no heartache and no pain . . . we're standing on enchanted land . . . a heavenly domain . . . just you and I and the twinkling stars . . . to keep you company . . . the world is mine as I behold . . . you and the deep blue sea.

Just can't find the time to let him get out his slow halting little stories. You are always hurrying him up, though you know you shouldn't. A month with easy going, leisurely grandma may do wonders for him. On the other hand if grandma is a rigid person who is going to make Andy toe the line or else, for heaven's sake find a polite excuse and keep him away from there.

Plan the summer for the children to correct as many of their drawbacks as possible, both physical and emotional ones.

A few children may need some tutoring in the summer. If you are going to be in the city all summer a youngster may be a lot better off in school than with too much free time to lie around and watch television.

And one more thing—don't forget the child's teeth. Plan a visit to the dentist and get any needed dental work attended to before fall.

### Hooded Rapist Is Sought By Police

MIAMI, Fla. (AP) — A hooded rapist who thanked his victims after attacking them in the presence of their husbands is the object of an intensive police search.

Thomas J. Kelly, Metro safety director, said Tuesday night that the man, believed to be white, attacked three white women in seven weeks.

Kelly called the case fantastic. In one case, the man held up a husband outside his home, ordered him back into the house and raped the 55-year-old wife.

HOLLYWOOD (AP) — Funeral services for actor George Reeves, television's Superman, will be held today with actors Alan Ladd and Gig Young among the honorary pallbearers. Police and the coroner say Reeves shot himself to death June 16 at his home.

## TAKE HERMIT FROM CAVES OF GRIFFITH PARK

LOS ANGELES (AP) — Griffith Park's hermit, a bearded, barefoot veteran of World War II, has returned to civilization and been placed in a psychiatric ward for observation.

Dennis Farrell, 32, struggled with police before being taken in handcuffs and ankle straps Tuesday to General Hospital. A doctor said, "he is a very sick man."

The Purple Heart winner emerged Monday night from the 4,200-acre park where he says he has lived more than five years, dwelling in caves and thickets and eating berries, fruits and picnic leavings.

The recluse, his clothing tattered and filthy, said he thought "some people are after me."

Officers took him to a hotel. In the morning Farrell opened the door to accept a breakfast tray of bacon, eggs and toast. He scooped up the eggs with his hand and tossed the other food on the floor.

Milton Fabre, 33, of nearby Santa Ana, who served with Farrell in an infantry unit in Okinawa, pleaded more than 90 minutes before Farrell agreed to leave the hotel.

(Continued From Page 1) declaration when it was presented to the public on July 8, 1776. However, it wasn't unanimous until July 19, when the New York delegation to the Continental Congress announced that it favored the document.

The birthday of the U. S., the Fourth of July, did not become a legal public holiday until 1941.

Thomas Jefferson is remembered most as the author of the Declaration of Independence. However, he was also the foremost American architect of his time, a translator of Greek plays, a violinist and the inventor of the dumbwaiter and the swivel chair.

### Serviceman Killed, 4 Hurt In Crash

BEAVER FALLS, Pa. (AP) — One serviceman was killed and four others injured today in an auto-truck collision on the Pennsylvania Turnpike three miles east of the Beaver Valley Interchange. Killed was Hector Hill, Jr., of El Paso, Tex. He was a passenger in a car driven by Donald R. Cox, 20, of Oak Park, Ill.

Also hurt in the Cox car were Anthony Monico, 24, of Brooklyn, N.Y.; Charles M. Anderson Jr., 24, of Oak Lawn, Ill.; and William A. Protz, 21, of Elkhurst, Ill.

State police said the Cox auto slammed into the rear of a tractor-trailer driven by Claud Calder of Mentone, Ind. Calder was not hurt.

Officers said the servicemen, all paratroopers stationed at Ft. Bragg, N.C., were en route to Cleveland, Ohio, to attend a convention of the 82nd Airborne Division.

### Bankert Again Wins JC Tourney

Sixteen-year-old Phil Bankert won his second consecutive Hanover Junior Chamber of Commerce golf tournament at the Hanover Country Club Tuesday morning, firing a 76 for a 36-hole total of 150.

The New Oxford High School ace recorded a 74 in the opening day's play on Monday and won by a total of 13 strokes over runner Ron Rowland who shot 84-79-163. Dick Topper was third with 85-84-169 as the rest of the field lagged far behind.

Bankert is now eligible in the state tournament at the Hershey Park course on July 14 and 15.

### GI Dental Plate Has Many Uses

SAVANNAH, Ga. (AP) — If you have a GI dental plate, it may come in handy for something besides chewing. One did for a man at the Citizens and Southern National Bank.

Teller Mary Neatherly asked him for identification when he presented a government check for cashing.

He took out his dental plate and pointed to its GI number, which corresponded to the number on the check.

The check was cashed.

HARRISBURG (AP) — Some 216 Girl Scouts representing central Pennsylvania at the International Senior Scout Roundup in Colorado were given a farewell by Gov. Lawrence Tuesday.

The Girl Scouts left for the second annual meeting at Colorado Springs with letters of introduction from Lawrence to Gov. Steve McNichols of Colorado.

## President

(Continued From Page 1)

that he set forth his formula for 43 years of successful marriage.

To a round of laughter, Eisenhower replied that he really has no formula. His marriage, he smiled, has been a very happy experience. Then he added that a successful marriage gets happier as the years go by.

In the course of the news conference, the President touched on these other topics:

SUMMIT—He still believes there is no point in his going to a summit conference unless there is adequate preparation in advance by what he called the legitimate diplomatic agencies of government.

That was an allusion to the Big Four foreign ministers who will resume talks in Geneva July 13, picking up at that point after six recent weeks of fruitless negotiations.

### Potential Candidates

POLITICS—The Republican party has many able and qualified potential candidates for the presidential nomination.

Eisenhower added, in response to a question, that while it would be too much to expect him to be neutral regarding a candidate, he definitely never will disclose privately or publicly any choice he might have.

Going on, Eisenhower seemed to qualify that to some extent by saying that he has no intention of ever indicating the procedure to be followed regarding detailed selection of a candidate.

In a related field, Eisenhower stated emphatically that he had no political motives in mind in picking Vice President Richard M. Nixon to represent the United States at the opening of its fair in Moscow later this month.

### Brother To Make Trip

A reporter told Eisenhower there has been some speculation that he chose Nixon in an effort to give him political advantage over Gov. Nelson A. Rockefeller of New York.

Nixon and Rockefeller generally are regarded as the top potential candidates for the GOP presidential nomination.

In reply, Eisenhower noted that his youngest brother, Dr. Milton S. Eisenhower, will accompany Nixon. His brother, the President said, certainly has no political ambitions.

The President confirmed reports that Nixon personally asked him to have Milton Eisenhower make the trip. There have been other published reports that Milton was forced on Nixon by the President.

### Enjoyed Red Visit

KOZLOG — Speaking an hour in advance of a scheduled conference with Soviet Deputy Premier Frol R. Kozlov, Eisenhower said he very much enjoyed the visit he had earlier this week with Kozlov in New York.

That was when Eisenhower visited the Soviet scientific and cultural exposition in New York.

On that occasion, Eisenhower said, he found Kozlov to be a man who enjoys a joke and likes to have fun.

Eisenhower went on to say that while he enjoyed that visit it was personal and in no way political.

INDUSTRIAL SECURITY — Eisenhower was asked for comment on a Supreme Court decision this week that there is no present authority for the firing of private industrial plant employees on security grounds. He replied that the administration ordered a careful study of that ruling as soon as it was handed down, and that he couldn't say anything further pending completion of that study.

### Must Retain Secrets

INFORMATION FREEDOM — In connection with government operations, there are all sorts of things which simply cannot be made public for security reasons, Eisenhower said. He made that remark when asked for comment on what a reporter referred to as differences between Congress and the executive branch regarding freedom of information about government business. There always is certain information, he added, which obviously would damage U.S. security if it were made public.

PROGRAM — Eisenhower was asked, as he was at his last previous news conference, whether he had any plans to carry the fight for his legislative and fiscal program directly to the people. Eisenhower replied that for the moment he has no such plans.

### Not Personal Censor

U.S. ART — With emphasis, Eisenhower said he has no intention to act as a personal censor regarding the paintings and sculptures which the government is sending to Moscow for display at the U.S. exposition opening later this month.

He indicated, however, that he has been concerned about criticism of the works of art chosen for the fair. He said he had pictures taken of each of the objects when the controversy broke out.

As for a specific painting showing a U.S. general, Eisenhower said it looks more like a lampoon than real art.

The questions to Eisenhower did not touch on contentions by some Congress members that many of the paintings and sculptures were done by persons associated with Communist front organizations.

### Free From Attacks

DEFENSE — Asked for comment on criticism of administration defense policies by Dean Acheson, secretary of state in the Truman administration, Eisenhower came back with this:

If the Democrats try to make an issue of that in the 1960 political campaign, the Republicans will be able to show that during the first 6½ years of the Eisenhower administration no country has attacked the United States.

Miss Jean Bushey, twin daughter of Mr. and Mrs. Joseph F. Bushey, R. 2, who recently graduated from St. Joseph College, Emmitsburg, in the Sequenquennet Class. Miss Bushey, who received her B.A. in social studies, will leave in August for a year's lay apostolate work in New Mexico. At St. Joseph she was active in the Children of Mary, the Valley Athletic Association, Blessed Clemis Unit, the Dramatic and Liturgy Clubs, and the Marillac Association of Catholic Action.

Miss Joan Bushey, R. 2, was graduated with her twin sister, Jean, from St. Joseph College, Emmitsburg, with a B.S. in Nursing. She is at present nursing at Providence Hospital, Washington, D. C. At St. Joseph she was active in the Glee Club, the Children of Mary, the Valley Athletic Association and the Blessed Clemis Unit.

## 7 UNITS WILL

(Continued From Page 1)

College, will read a narration during which the Gettysburg High School Band, under the direction of Robert Zeigler, will play "Dixie," representing the South, and the "Battle Hymn of the Republic," representing the North.

At the conclusion of the narration the artillery units will simulate a barrage after which the "Confederates" will charge the "Union troops."

Those participating are to meet at 10 o'clock Sunday morning at the Gettysburg High School parking lot to study details of the program.

All Boy Scouts and Explorers and their leaders are asked to assist with traffic problems.

### Employee Awards Made At Center

Two Adams Counties are among the 75 employees of the Ships and Parts Control Center, Mechanicsburg, who shared \$12,060 in superior job performance awards, based on performance over a period of six months.

John F. Grinder, 54 Hanover St., Gettysburg, received \$200 and Mary Bowling, Gettysburg R. 2, received \$100.

The awards were made in the recipients' work centers with center officers in attendance. Beneficial suggestion awards totalling \$440 were also made to 12 employees for suggesting better and quicker ways of doing their jobs. Carole Stake, Mt. Holly Springs, received one of these awards. Mary Gumbly, also of Mt. Holly Springs, received a performance award of \$100.

HAMILTON, Bermuda (AP) — Bermuda's movie houses have joined the island's leading hotels in lowering the color bar.

A governor's committee announced desegregation of the island's theaters Tuesday night.

Earlier there was an announcement that Negroes can now dine and dance at Bermuda's leading hotels formerly open to whites only.

LONDON (AP) — Twenty-nine French impressionist paintings and drawings owned by U.S. art collector Walter P. Chrysler Jr., brought 219,020 pounds (\$613,256) at auction today. The sale fell considerably short of the approximately \$800,000 experts had estimated the auction would bring.

ST. THOMAS, Virgin Islands (AP) — A sharp earthquake hit St. Thomas Tuesday night. While there was no damage, the tremor caused considerable concern because it was the second within a week.

Political campaign, the Republicans will be able to show that during the first 6½ years of the Eisenhower administration no country has attacked the United States.

## Special Broadcast On Mennonite Hour

Dr. Charles McGlon, of the Southern Baptist Seminary, Louisville, Ky., will present "The Creation" on the Mennonite Hour broadcast, Saturday. "The Creation" is a sermon-poem which depicts God's creating the world.

This feature introduces a new series of messages on The Mennonite Hour, "It Took A Miracle," by Norman Derstine, associate pastor. Rev. Derstine in a series of four talks during July sets forth the Christian viewpoint of the origin of life and the world.

Did man evolve from lower forms of life? The evolutionary theory originated by Charles Darwin 100 years ago raised this question which is still puzzling many people. This and many other related problems will be discussed in "It Took A Miracle." It can be heard on a nearby radio station.

## Name Scranton As Herter Aide

WASHINGTON (AP) — William W. Scranton, 41-year-old Scranton, Pa., businessman, today was named as a special assistant to Secretary of State Christian A. Herter.

Scranton's job will be as a liaison officer between citizens who take an interest in foreign affairs and senior officials of the state department.

The purpose of the post, the state department said, is to promote a better understanding of U. S. foreign policy and at the same time assure that foreign policy adequately reflects the wishes of the American people.

Scranton succeeds Philip K. Crowe, who has been appointed ambassador to the union of south Africa.

Scranton, a lawyer and civic leader, has been chairman of the board of Northeast Pennsylvania Broadcasting Co., among other business activities. He resigned on June 1 from that position.

## Free Lemonade At Bluefield, W. Va.

BLUEFIELD, W. Va. (AP) — Free lemonade will be on tap today in this mountaintop city, thanks to an overheated thermometer.

Bluefield, often called "Nature's Air-Conditioned City," likes to boast that a temperature of 90 is seldom reached. The Chamber of Commerce has a standing offer of free lemonade to all comers when that occurs.

The chamber was caught unprepared by Tuesday's 90-degree reading but promised free lemonade today.

Confucius lived from 551-479 B.C.

## Weather Forecast

Extended forecast for Thursday, July 2, through Monday, July 6:

Eastern Pennsylvania, eastern New York and Midatlantic states — Temperatures will average near normal in the south and a little below normal in the north. Cooler in the south Thursday and warmer over the weekend. Cool: Monday. Showers about Sunday or Monday will average ½ inch to an inch.

Western Pennsylvania, western New York and West Virginia — Temperatures will average near normal in the south and three or four degrees below normal in the north. Cooler in the south Thursday and warmer over the weekend. Cooler Monday. Showers over the weekend will average ½ inch to an inch.

"FLOAT" OFF TO SLEEP ON A RESTFUL  
U. S. KOYLON MATTRESS

### EASILY REVERSED—

Small core holes penetrating from each side make a Koylon Mattress completely reversible. Although it is not necessary to do so, it can be easily turned.

### ALWAYS COOL AND CLEAN—

A myriad of tiny air cells through its porous structure plus the many small cores on both sides create a greater ventilating area. Your U. S. Koylon mattress literally "breathes" under every gentle body pressure.

### DURABLE 1-PIECE CONSTRUCTION—

A U. S. Koylon Mattress is molded as a single unit. It has no parts to break down or sag, and permanently retains its shape and buoyancy. The ticking can't twist either—it's completely sewn, both top and bottom.

### ECONOMICAL—

Your dividends of healthful sleep plus the longer wear you can expect from this quality product make your U. S. Koylon Mattress an economical lifetime investment.

### NO SKIMPING—

A full 4½" depth of luxurious foam—full width and full length. Compare! See why Koylon Foam, feature by feature, will give you far greater value.

### SCIENTIFICALLY ENGINEERED FOUNDATION—

The companion piece to the U. S. Koylon Mattress has springs hand-tied eight ways for greater comfort and longer life, the finest construction known. A full 10" high, it is built with the finest tempered wire.

THE FINEST SLEEPING COMFORT YOU CAN BUY

U.S. KOYLON  
FOAM

Only U.S. KOYLON offers double coring—the superior design that means superior comfort, greater ventilation area—perfect support.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

**TWENTY-FIVE YEARS AGO**

**Mothers' Assistance Board**  
Spends \$4,806 To Care For 87: The Mothers' Assistance Board of Adams county spent \$4,806 for the care of 87 children under the age of 16 years during the year ending May 31, Miss Margaret McMillan, secretary of the board, announced today.

Half of the amount was contributed by the state and the other half by the county Administration costs during the year totaled \$522, of which Adams county paid half.

Twenty-one families with a total of 128 members received aid from the mothers' assistance fund.

**State G.A.R. Department, 6 Allied Groups To Meet In Gettysburg Next Year:** Choice of Gettysburg for the 1959 Pennsylvania department encampment of the Grand Army of the Republic and Allied organizations was made Wednesday at a business session of the convention being held in Reading this week.

The last encampment held here was in 1929.

With 72 Civil War veterans, eight fewer than last year, in line, a few insisting on walking part of the way, but all the rest in automobiles, the feature of the Grand Army of the Republic, department of Pennsylvania convention in Reading Wednesday was the parade.

**Biglerville Bible School Ends At Picnic:** The ninth annual convocation at Biglerville closed Friday with a picnic in the Firemen's grove, following an appropriate devotional service.

Miss Mae Lady and Miss June Gindesperger were supervisors in the lower grades. The teachers were Miss Mildred Shank, cradle roll; Miss Mildred Sell, kindergarten, and Miss Jean Fohl, beginners department.

Miss Mildred Shue, assisted by Miss Jane Rice, had charge of the primary department. Prof. Robert Shafer and Prof. Charles Yost taught the junior department with Prof. Lawrence Gulden as substitute. The Rev. H. W. Sternat taught the senior group. Prof. Richard Slaybaugh taught music in the three advanced groups.

**Fish And Game Association In County Formed:** Organization of the Adams county game and fish association was effected at a meeting of nearly 75 sportsmen at the Eagle hotel Wednesday evening. The initiative in the formation of a sports enthusiasts' association in Adams county was taken by the Gettysburg Lions club at its meeting at the Marsh Creek hunting camp Monday evening of this week.

Professor Lloyd C. Keefe, president of the Lions club, presided at the meeting and appointed Prof. C. Paul Cessna as temporary secretary.

Short talks on fish and game were given by a number of sports enthusiasts including Edward L. Weikert Jr., D. J. Forney, Robert E. Tipton, George T. Raffensperger, Dr. E. H. Markley, C. Paul Cessna, F. Mark Bream and State Senator John S. Rice.

After the talks were given, the sportsmen effected a permanent organization by electing F. Mark Bream, Gettysburg, president; State Senator John S. Rice of Biglerville, vice president; John S. Ogden, Gettysburg, treasurer, and Prof. Ira Y. Baker, secretary.

**Professor Johnson To Marry York Girl At College:** Miss Mildred Fay Dimmerling, York, and Prof. Lester O. Johnson, Carpio, North Dakota, member of the Gettysburg College faculty, will be married Saturday morning at 9 o'clock in Brue chapel on the college campus. Dr. Henry W. A. Hanson, president of the college, will officiate.

**New Name For Local Church:** The Rev. Howard S. Fox, T. J. Winebrenner and Mr. and Mrs. Leroy Winebrenner, all of Gettysburg, returned Thursday from Cleveland, Ohio, where they

## Today's Talk

**EAGERNESS**  
I have noted that the young worker who shows an eagerness in all that he does—with probably a definite purpose as a background—is the one on his way to a significant career, and one that is sure to lead him to top experiences. Ever watch horses race? There is something to learn from them. I am no gambler—just a watcher.

Behind all eagerness is that one driving force—desire. The thoroughbred races true to form. He is eager to start and eager to finish. Without that eagerness the would be no horses to race! I have an idea that race horses love the game they are in.

We must all have the eagerness to get ahead and to do our best at solving our personal problems as we go along. We are mastered by our resolves and our deep desires. We create our own momentum, we brush many a hindrance away as though it had never been! We must get the pace of a conqueror. Many boys and girls have taken themselves in hand, and with eagerness fully aflame, have gone from success to success.

The reason why so many refugees make rapid progress, when a short time in America, is that they have never before tasted the good food of Freedom. People have always thrived on Freedom. Said William James: "A human life is greater than all its possible appraisers, assessors, and critics." Each one of us should look into the heavens at night and select a star to lead us forward—with the eagerness of a child! Only when we are eager to excel do we reap the glory of a personal achievement.

Tomorrow Mr. Adams will talk on the subject: "Creation"  
Protected, 1959, by The George Matthews Adams Service

## Just Folks

**JUST AN OPINION**  
I don't care what a fellow's creed  
Or what his faith may be,  
Religion is a human need  
And good in it I see.  
A real belief in something fine  
Beyond this earthly plan,  
And faith in wisdom that's divine  
Have never hurt a man.

Religion doesn't drag you down  
Or fill your life with woe;  
It will not put you on the town,  
A creature, vile and low.  
But it will make you want the best  
And lift you up, somehow.  
There, my opinion I've expressed  
And I'm done preaching now.  
Protected, 1959, by The George Matthews Adams Service

## House GOP Floor Leader Sees Compromise On Tax Program

HARRISBURG (AP)—The House Republican floor leader expressed confidence today that bipartisan tax discussions starting next week could mean an early compromise and final adjournment of the Legislature by Aug. 15.

"I'm hopeful we can work out something really soon," said Rep. Albert W. Johnson. "It won't be a Republican program; a Democratic program. It will be a House program."

Johnson accepted a Democratic offer for a series of bipartisan tax meetings almost immediately after the House late Tuesday passed 77 million dollars in increased taxes on personal property, bank shares and gas utilities.

**Plan Recess**  
The House plans a recess next week and the Senate may go along too.

It was the first time House Republican votes were cast to pass any portion of the administration's tax program. The three bills (with revenue estimates and the house vote in parentheses) would:

Impose a statewide personal property tax of six mills on such tangible goods as stocks, bonds and mortgages (53 million dollars, 106-98).

Extend the 14-mill gross receipts tax on public utilities to gas companies (10 millions, 109-95).

Double the four mill bank shares tax (12 millions, 108-95).

**Get Republican Votes**  
Two All-Party County Republicans—Reps. Maurice H. Goldstein and Joseph P. Rigby—voted for the bank shares and gas utilities levies. Rep. John F. Stank (Northumberland) was the only defecting Democrat in the action on the three - part package. He voted against the bank shares and personal property taxes.

All three measures went to the Senate to face an uncertain future. Sen. James S. Berger, Senate Republican floor leader, already has expressed opposition to the personal property tax.

So has chairman Edward J. Kessler (R-Lancaster) of the Senate Finance Committee, who said that the Commonwealth's new revenue needs should be a maximum of 115 million dollars. The figure compares with Gov. Lawrence's estimate of 207 millions.

**Other Developments**  
Other legislative developments: SCHOOL DISTRICTS — Gov. Lawrence signed into law legislation penalizing school districts for failing to pay teachers and other employees their salaries when due.

The new law will require school districts to pay, in addition to any overdue salary, interest at the rate of 6 per cent a year. The only exception would be when school districts fail to receive their state aid in time.

**Water Supply** — The House passed a bill, 110-94, to set up state-wide regulations for providing a municipal and private water supplies for home and business places.

**Taxes Failed Before**  
Equal Pay—A unanimous vote saw the House approve legislation to prohibit discrimination in pay because of sex.

**World War II Bonus**—The Senate Military Affairs Committee sent to the floor a plan to extend for two more years to World War II veterans the deadline for filing for bonus payments. The old deadline expired last Dec. 31.

**Taxes—Two of the levies—personal property and bank shares—passed by the House had been previously defeated June 2 because of Democratic defections.**

After passage Johnson announced the GOP was ready to sit down with the Democrats on a tax compromise.

**May Be Pigeonholed**  
"Unless we sit down together, this session could run on to Christmas," Johnson said. "We're in a very serious tax impasse."

He offered a guess that the personal property tax would be pigeonholed in the Senate and that defeat would greet any further House efforts to extend the 3½ per cent sales tax to beer and

## SAD SAM JONES BEATS L. A. ON 1-HIT SHUTOUT

By ED WILKS  
They call him Sad Sam Jones and he stood with head bowed, hands on his knees, when the "hit" sign flashed, snuffing out his bid for a second major league no-hitter with two out in the eighth.

An infield bouncer by Junior Gilliam, credited with a controversial single, was the only hit Los Angeles managed against the big right-hander Tuesday night as he pitched San Francisco to a 2-0 victory over the Dodgers with the help of Willie Mays' two-run homer.

It was the second "near-miss" stab at a no-hitter this season by Jones, now 3-8 who had to settle for the first one-hitter of his career while the Giants closed within a half-game of the National League lead.

**Some Fans Boored**  
Some of the 59,312 fans in the Los Angeles Coliseum boored the scorer's decision on the bouncing ball, which cleared Jones' head and rolled toward second base. Shortstop Andre Rodgers picked it up, then dropped it. The official scorer ruled that the fleet, switch-hitting Gilliam, getting an extra jump batting left-handed, would have beaten it out anyway.

Jones' comment: "Can you imagine anyone calling that a hit? They don't want no-hitters thrown around here."

Cincinnati whipped first-place Milwaukee 8 - 5 on three home runs. Pittsburgh defeated Philadelphia 4-3, and St. Louis beat Chicago's Cubs 4-1.

**10 In A Row**  
The Dodgers, third, 1½ games back with their second loss in a row after winning seven straight, put five men on base. Three times the runner was Gilliam, who got both of Jones' walks. The other runners made it on a fielder's choice and an error.

Sad Sam retired 22 of the last 24 he faced, putting down 10 in a row before Gilliam walked in the sixth, then getting eight straight before the hit. Gilliam reached second in the eighth on a passed ball, but got no farther as Wally Moon fouled out. Jones got the side in order in the ninth, fanning Gil Hodges for his 10th strikeout and the final out.

Jones, 33, pitched his no-hitter against Pittsburgh when he was with the Cubs, May 12, 1955. Last May 13, he had Philadelphia no-hit until Willie Jones beat out an infield dribbler with two out in the seventh. He finished with a two-hitter.

**Reds Beat Braves**  
The Reds, who had lost three straight, came from behind against the Braves and loser Lew Burdette (11-7) when an error set up Gus Bell's three-run homer in the third. Vada Pinson nailed it with a two-run shot in the fourth. Bob Purkey (7-9) was the winner with Orlando Pena's three-hit, shutout relief over the last four innings. The Braves' runs came on homers by Ed Matthews, his 24th, and Joe Adcock.

Utah as No. 2.  
Other newcomers to the role of leading contender were Yvon Durelle, Canadian and British Empire light heavyweight champion in the 175-pound division; Bantamweight Joe Beccerra of Mexico; lightweight Carlos Ortiz of New York, and welterweight Sugar Hart of Philadelphia.

## Bookie Picking Patterson Again

NEW YORK (AP) — Broadway bookmakers apparently doubt whether freshly crowned heavyweight champion Ingemar Johansson of Sweden can flash his thunder and lightning right against Floyd Patterson in their return bout. The bookies have made the blitzed Patterson a 7-5 choice over the Goteborg gunner.

## Midget Cars To Race At Grove

WILLIAMS GROVE, Pa. — America's greatest speed stars, among them Indianapolis Speedway veterans, will be on hand next Sunday afternoon when Roy Richwine presents the season's first 100-lap national championship midget auto racing classic on his Williams Grove Speedway.

First big name chauffeurs giving indication that they will be on hand to shoot for a victory in the gruelling century grind were:

Van Johnson, former Anaheim, Calif., speed star, now residing in Pittsburgh, who won his first national championship race on June 14 in a 100-mile at Langhorne, and "500" veteran Bill Homeier, of Burbank, Calif.

## Johansson Says Lewis Was His Inspiration

NEW YORK (AP) — Ingemar Johansson says he first became interested in boxing when he was 13.

"I read about Joe Louis and I see that he is a big man and getting everything," said the new heavyweight champion.

When he was 15 he started boxing in amateur competition. He left school at the same time.

"I didn't like school. Some of the teachers didn't like me," he added.

One of six children of a stone cutter and laborer, Ingemar went to work on construction gangs and on the docks. This physical labor hardened his body and broadened his shoulders.

"I had about 86 amateur fights," he said. "I win almost all of them and the Swedish championship. After the Olympics, I felt I was ready to fight the professionals."

Johansson won 11 straight pro fights, six of them by knockouts, through the summer of 1955. He was beginning to create a stir in Scandinavian countries.

On Aug. 28, 1955, Johansson knocked out Hein Ten Hoff, Germany's fading European champion, in the first round. He was ready for faster competition.

He came to the U.S. to take a look at American fighters after the Ten Hoff slaughter. Ingo visited famed Stillman's Gym. He looked at the American style of fighting, did some sparring, and returned to his native land.

"I could see I was not ready yet for this kind of competition," he said.

In 1956 he stopped European champion Franco Cavicchi of Italy at Bologna, Italy in 13 rounds.

**Kayoed German**  
On Feb. 21, 1958, Johansson defended his European title against Welshman Joe Erskine, the British champion who was virtually set for a title fight in America with world champion Floyd Patterson.

Johansson stopped Erskine in the 13th round.

Five months later Johansson knocked out Germany's Heinz Neuhaus in the fourth round.

"We knew he was ready for the best now," said Edwin Ahlquist, Johansson's adviser.

**Kayoed Machen**  
Eddie Machen, the undefeated No. 1 contender from California, was imported.

For the first minute Johansson backed away from Machen. Suddenly Ingo's right shot out, crashing against Machen's temple. The California crumpled to the canvas at 1:13. He staggered to his feet but Johansson stormed after him. It was all over in 136 seconds.

The mighty upset startled the boxing world. Johansson became the No. 1 contender with a 21-0 record, including 13 knockouts. He was matched with Patterson after prolonged, secret negotiations.

**NEXT:** Johansson's training method. Will it revolutionize training in the U.S.?

## SPORTS

YANKS FINALLY  
BEAT WILHELM  
AS BIRDS BOW

By ED WILKS  
Associated Press Sports Writer

If you don't think Hoyt Wilhelm is having trouble these days, consider this: Even the New York Yankees can beat him now.

The knuckleballing right-hander considered the choice as the American League's starting pitcher in next Tuesday's All-Star game at Pittsburgh, was the league's unbeaten ace after his first nine decisions. But he hasn't won since, losing his third in a row Tuesday night as the Yankees rapped third-place Baltimore 4-1.

And if you don't think rapped is apt for a four-run scoring spurt, you may have forgotten that the Yankees had managed only four earned runs off Wilhelm in 59 2-3 innings before Tuesday night. Fact is, this is the first time the Yankees have beaten Wilhelm in five decisions since he became an Oriole last year.

The victory left the Yankees in a fourth-place tie with the Detroit Tigers, who beat Kansas City 4-0, and four games behind Cleveland. The first-place Indians gained a two-game lead by defeating Chicago's second-place White Sox 3-1. Washington beat last-place Boston 6-1.

The Yankees, playing without injured Mickey Mantle, got three in the third on a walk and four singles, capped by Yogi Berra's two-run hit. Art Ditmar (7-5) was the winner with 4 1-3 innings of two-hit, shutout relief. Duke Maas started and gave up the Birds' other three hits, one Gene Woodling's 10th homer in the fourth inning.

Wilhelm (9-3) allowed eight of the Yankees' nine hits in his seven innings. Winless in his last four starts, he's been tagged for 14 earned runs in 27 2-3 innings over that span for a 4.50 earned run average. Before the slump his ERA was 1.00. Now it's 1.83, still tops in the AL.

McLish Wins 4th in Row  
Vic Power's two-run, inside-the-park homer in the third and Rocky Colavito's 23rd home run in the sixth backed Cleveland's Cal McLish (9-3), who held the White Sox to four singles and didn't walk a man while winning his fourth straight. Chicago scored in the third with an unearned run on an error, sacrifice and Luis Aparicio's single. Nellie Fox followed with a single, but McLish then retired 14 in a row before Jim Landis singled for the Sox' final hit leading off the eighth.

Billy Pierce (8-9) was the loser. He's won only three of his last 10 decisions.

1st Shutout For Lary  
Frank Lary (9-4) blanked the A's on five hits for his first shutout since June, 1958. He struck out seven, walked none and put down 13 in order before Jerry Lumpe and Dick Williams led off the ninth with singles. Lary then fanned Kent Hadley, and retired power guys Roger Maris and Bob Cerv. The Tigers scored in the first on Charlie Maxwell's 17th homer, and added two unearned runs in the second on an error by lower Rip Coleman (2-7).

Faye Throneberry, who homered, and Harmon Killebrew had half of Washington's 10 hits and each drove in two runs, both getting RBI singles as the Nats scored four unearned runs in the second against loser Tom Brewer (5-5). Pete Ramos (8-7) made it four out of five against Boston this season with a six-hitter.

## Big League

The Towne restaurant, unable to field a full team, forfeited to Swope's Aero in the Big Little League Tuesday evening. It was the second straight forfeit made by the restaurant outfit.

WELTERS WILL  
FIGHT TONIGHT

LOUISVILLE, Ky. (AP) — Rudolph Stutch, with everything to lose, takes on Rudy Sawyer, with everything to gain, in a scheduled 10-round welterweight fight tonight.

Stutch was expected to weigh 147 and Sawyer 149 for the nationally televised (ABC) bout at 9 p.m. (EST).

Stutch, from Louisville, could rest on his laurels without the match. The National Boxing Assn. ranks him No. 2 contender. He has a 20-5 record.

Sawyer, an unrated New Yorker, lost a decision to Kid Paret June 1 which damaged a previous 18-1 record. One other fight was a draw.

More than 100 members of Presbyterian churches in this area will sit together in a special cheering section for church elder Stutch.

MASON RETIRES  
BOSTON (AP) — Hiram W. Mason has retired as treasurer of the Boston Red Sox, ending a 50-year career in baseball.

Littlestown  
Little League

Robert J. Stonesifer, Littlestown Little League president, announced Tuesday evening that all league games scheduled for this week have been postponed due to the number of players away on vacation and attending Boy Scout camp. These games will be re-scheduled at the end of the season. The game forfeited on Monday will not count in league competition and will be played later.

Runs batted in — Banks, Chicago, 71; Aaron, Milwaukee, 69.

FACE, CONLEY  
SELECTED FOR  
ALL-STAR TILT

CINCINNATI (AP) — Little Elroy Face, Pittsburgh's unbeaten relief ace, and tall Gene Conley, swapped by Milwaukee last spring to Philadelphia, were among the seven pitchers named by Manager Fred Haney to his National League All-Star squad.

The veteran Milwaukee pilot Tuesday selected 17 players to go along with the eight starters picked by the players themselves for the 26th annual All-Star game in Pittsburgh, July 7. The lone surprise was Stan Musial of the St. Louis Cardinals.

Although Stan was named on only three players' ballots, Haney saw to it that this National League great was on the squad for the 16th straight time. Musial's batting average is .262 with seven homers and 29 runs batted in.

Other pitchers chosen by Haney included San Francisco's Johnny Antonelli (11-4), Milwaukee's Warren Spahn (10-8) and St. Louis' Wilmer Mizell (9-4), all southpaws; and Milwaukee's Lew Burdette (11-6) and Los Angeles' Don Drysdale (8-5), right-handers.

Face is 12-0 and Conley 5-4. With one exception, Haney's "second team" choices followed the vote of the players. He named St. Louis' Bill White and Joe Cunningham and Cincinnati's Vada Pinson as his alternate outfielders, and Cincinnati's Frank Robinson, Pittsburgh's Bill Mazeroski and Dick Groat, and St. Louis' Ken Boyer as his alternate infielders. Groat replaced shortstop Roy McMillan of Cincinnati, who is out of action with an injured hand.

Haney selected two catchers — Smokey Burgess of Pittsburgh and Hal Smith of St. Louis — to support Milwaukee's Del Crandall behind the plate. In addition to Crandall, the first team consists of Orlando Cepeda, Giants, first base; Johnny Temple, Reds, second base; Ernie Banks, Cubs, shortstop; Eddie Mathews, Braves, third base; Willie Mays, Giants, center field; Henry Aaron, Braves, right field and Wally Moon, Dodgers, left field.

Emmitsburg  
Little League

Fine clutch hitting and excellent defensive work, especially on the part of shortstop Dennis Staley, gave the league-leading Giants a one-sided 14-3 win over the Cards in the Emmitsburg Little League, Tuesday evening. The Giants head the league with a perfect 5-0 record while the loss pushes the Cards into a tie for last place with a 1-4 slate.

19 Golfers Qualify  
"I used my three iron to putt the whole time," Carr said, "and clicking in the next few days like it did yesterday then perhaps I've got a chance of being in at the kill."

Carr was among Tuesday's 19 qualifiers, including four Americans, for the 72-hole championship starting today over the 6,806-yard Muirfield links.

Americans qualifying were Willie Goggin, San Jose, Calif., who had a two-round total of 70-72-142; Bob Watson, Ardley-on-Hudson, N.Y., 75-72-147; Bob Sweeney, Palm Beach, Fla., 73-74-147; and John Garrett, Houston, Tex., 74-73-147.

WILL RESTOCK  
FRENCH CREEK  
MEADVILLE, Pa. (AP) — Plans to restock a portion of French Creek with fish went forward today in the wake of a contribution from a Meadville plant to pay for fish killed by accidental discharge of industrial cyanide waste.

Talon, Inc., announced Monday it had given \$5,879 to the State Fish Commission as a result of the fish killing incident on June 18.

C. Caryle Sheldon, northwest division supervisor of the commission, said this was one of the fastest and largest settlements of an industrial pollution case on record in his 10-county area.

Fish commission officials say there was a "complete kill" of fish in the creek for about seven miles. There was an actual count of 1,101 game fish—pike, bass and northern pike; an estimated 39,000 minnows and about 7,000 suckers and other fish.

Cage Mentor Seeks  
Position On Coast  
SEATTLE (AP) — University of West Virginia basketball coach Fred Schaas talked Tuesday with University of Washington officials regarding the vacant hoop mentor's job, the Post-Intelligencer reported Tuesday night.

Washington athletic director George Briggs would not comment on the report. "I won't deny it," he said. "I just won't comment on it."

The Washington Huskies were left without a head basketball coach when William Henry Harrison (Tippy) Dye resigned last month to become athletic director at the University of Wichita.

Joe Carr Fires  
2 UNDER PAR  
IN BRITISH OPEN

MUIRFIELD, Scotland (AP) — Irishman Joe Carr kissed his three iron today and said:

"This is my putter — it's the club that could make me the first amateur to win the British Open Golf championship since Bobby Jones took it in 1930."

The 37-year-old long ball hitter from Dublin, veteran of seven Walker Cup matches against the United States, qualified for the British Open Tuesday after smashing the record for the full-length links with a 64. That was eight under par for the 6,491-yard layout.

19 Golfers Qualify  
"I used my three iron to putt the whole time," Carr said, "and clicking in the next few days like it did yesterday then perhaps I've got a chance of being in at the kill."

Carr was among Tuesday's 19 qualifiers, including four Americans, for the 72-hole championship starting today over the 6,806-yard Muirfield links.

## TELEPHONE AND VISITORS TIRE GOV. EARL LONG

COVINGTON, La. (AP)—Louisiana politicians hurried today into this piney woods town where Gov. Earl K. Long—beset by divorce, income tax and health problems—is busy running for re-election.

They moved in and out of his motel room like worker ants, some on the business of running state government, some seeking a spot on the Long ticket, others merely expressing friendship.

The parade of politicians formed a part of one of the strangest rest cures in history. Gov. Long, 63 and ill, made scores of telephone calls as visitors came and went.

Although physicians say Gov. Long has suffered a series of mild strokes, Louisiana's chief executive continued his mad pace after midnight. A few minutes after state police set up an oxygen tank in his room, Gov. Long bellowed so loud during a telephone talk he could be heard outside his room.

Long himself ordered the oxygen. His doctor was out eating. The governor has an asthmatic condition that is helped by oxygen.

Forty minutes after midnight, Gov. Long climbed into his limousine for a five-mile drive to an all-night restaurant.

"Turn on the air," he told his driver, who flipped on the air conditioning.

**Sues For Divorce**  
The governor filed suit for divorce from his wife June 18 while he was still in a state mental hospital. He said he would have divorced her long ago were he not in politics.

Mrs. Long, who had been out of state at a secret hideaway more than a week, came back quietly Tuesday and filed a counter-suit. Claiming Long tried to kill her in a rage May 28 before she sent him to a Galveston, Tex., mental clinic, she asked \$2,500 a month alimony.

An attorney for Mrs. Long later indicated the temporary alimony plea was left in the suit inadvertently. He added he would amend the petition to remove the request.

Adding to the governor's woes, federal agents investigating his income checked the bank safety deposit box of his public relations adviser who said what they found "wasn't much."

**May Leave State**  
Gov. Long apparently still toyed with the idea of going either to Tucson or Phoenix, Ariz., for two weeks. It seemed certain there would be no rest if he stays home. This would make Lt. Gov. Luther Frazier acting governor. On May 30, mental hospital orders and some politicians lashed Long to a stretcher and flew him to John Sealy Hospital in Galveston, Tex.

William Penn mapped the streets for Philadelphia in 1682.

## STEEL TALKS QUICKEN PACE

NEW YORK (AP)—The pace of contract negotiations in the steel industry accelerates today.

Four-man teams representing the 12 largest steel companies and the United Steelworkers of America plan both morning and afternoon sessions daily.

Industry representatives met Tuesday to discuss specific proposals for contract language to be submitted to the union.

Company officials said they planned no change in their position that the new contract should not involve any increase in total employment costs. The union has been demanding a substantial wage increase and other benefits.

Wages now average \$3.10 an hour. The old three-year contract in the industry—which had been due to expire Tuesday midnight—was extended until July 14 after President Eisenhower intervened in the dispute last Saturday.

## OPEN NEW UNIT IN YORK SCHOOL

Dr. Sergio Zaderenko has been appointed technical director of the Brady Science Institute, York, a unit of the new York Catholic High School which will open in September.

The appointment was made public today by the Rt. Rev. Monsignor Robert J. Maher, diocesan superintendent of schools. Dr. Zaderenko has entered into a contract with the parochial school board to organize and direct the new pre-engineering course and laboratory at York, Monsignor Maher announced.

"Before the Russian Sputnik was launched, our benefactor, Edward J. Brady, a York industrialist, made it possible to envision a course at high school level for pupils who want to explore their aptitude in the engineering field," Monsignor Maher said.

"The whole idea is to guide, direct, and motivate, at the same time giving a thorough foundation for any college branch of engineering. Emphasis will be placed on mechanical drawing and a demonstration laboratory course on the physical principles of machines, turbines, generators and electronic devices."

Dr. Zaderenko holds a doctor's degree in mechanical engineering from the University of Munich, Germany. For the past two years, he has been head of the department of mechanics and electricity at the University of Montana.

**MARK ANNIVERSARY**  
WASHINGTON (AP)—President and Mrs. Eisenhower were married 43 years ago today.

They are marking the anniversary with a reception for about 75 White House staff members at the mansion early this evening.

Wilson, N. C., in the Carolina League is the world's largest bright leaf tobacco market. Appropriately enough one of its players is Morris Cigar.

Elected presidents of demonstration 4-H Clubs at Leadership School at Penn State University were, from left, seated: Kenneth Baldner, St. Thomas; Audrey Yingling, Gettysburg R. 1; Donna Landis, Millersburg, and Leonard McChesney, Blairsville; standing, Bill Endslo, Marietta R. 1; James Arbuckle, Mohrsville, and Bill Dickinson, Slippery Rock.

Further expansion of Pennsylvania's 45,000-member 4-H Club program was in prospect today with the enlistment as local leaders of 254 young men and women who trained at State College at the 30th Leadership School under Dr. William M. Smith Jr., new state 4-H leader.

Two Adams Countians were among 12 who were nearing or had just passed their 21st birthdays who were honored in a special citizenship ceremony. The two from this county were Dorothy Anthony, Gardners R. D., and Helen D. Rex, Biglerville R. 1.

## IKE IS ASKED TO EXPLAIN BIG U. S. DEFICIT

WASHINGTON (AP)—President Eisenhower was challenged by Sen. Mike Mansfield (D-Mont) today to explain the huge federal deficit in any national appeal for budget-balancing support.

A proposal by Senate Republican Leader Everett M. Dirksen of Illinois that Eisenhower take his budget fight to the people with a nationwide broadcast won quick endorsement from Mansfield, assistant Senate Democratic leader.

Dirksen, who made the proposal at a White House conference Tuesday said Eisenhower agreed to entertain the suggestion. Mansfield said he hopes the President does speak out.

**Discuss Fiscal Condition**  
"I think it would be an excellent idea for the President to discuss the country's fiscal condition with the people," Mansfield said.

"In the course of this, I think he ought to give all of the facts about the deficit the administration has piled up in the fiscal year which ended at midnight."

"He also ought to tell the American people frankly that the last three Democratic congresses have cut his money requests considerably."

That has been a subject of considerable dispute in the intricate field of government financing.

## Income, Excise Tax Rate Is Extended

WASHINGTON (AP)—President Eisenhower has signed a measure extending for another year the wartime rates on corporation income and excise taxes.

Also signed by the President Tuesday was a bill boosting the national debt to a temporary limit of 295 billion dollars.

Both measures had to be signed by midnight to avoid money troubles. Without the new legislation, the current tax rates would have dropped today.

## ISRAELI WILL SELL ARMS TO WEST GERMANY

JERUSALEM, Israel (AP)—Parliament today approved Israeli arms sales to West Germany despite opposition of two parties inside the government coalition.

Fifty-seven deputies approved a motion by Premier David Ben-Gurion against cancellation of the contract. Forty-five voted against with six abstentions.

Despite Parliament's approval of his course in selling arms to an old enemy, Ben-Gurion is expected to resign and clear the way for his formation of a new Cabinet with the two parties excluded. The two parties that fought the arms deal refused to live up to a 1957 pledge to support all Cabinet decisions or quit the four-party coalition cabinet.

They are the left-wing Achduth Avodah (Unity of Labor) and Mapam (United Workers).

**Ben-Gurion May Resign**  
An official source said later that there was "reason to believe that Ben-Gurion will not resign within the next few days." He did not elaborate.

Achduth Avodah and Mapam ministers had refused to quit the Cabinet on the ground that the government's agreement to sell 250,000 grenade launchers to West Germany was unconstitutional.

Moshe Carmel, an Achduth Avodah minister, told Parliament the arms agreement violated its 1954 resolution opposing the rearmament of West Germany.

The protesting ministers also charged that Ben-Gurion promoted the arms deal and bypassed the ministerial Defense Committee. Israeli law requires arms transactions to be considered by that committee. The Premier contends the sale is necessary to keep the nation's infant arms industry going.

## 100 Steel Workers Touch Off Strike

PHILADELPHIA (AP)—Some 100 employees "touched off" a wildcat strike last Tuesday night at the U. S. Steel Corp.'s Fairless Works in nearby Falls Twp.

Shortly before 11 p. m. the men began picketing the plant and an early morning shift of about 1,000 employees refused to cross the picket lines.

A spokesman for United Steelworkers Local 4889 termed the picketing a wildcat strike. He said he did not know what started it. It was believed that the action was a token walkout to observe what would have occurred at midnight when the United Steelworkers union contract with industry expired.

However, the international union last Saturday agreed to extend the deadline to midnight July 14. Talks on a new contract resume in New York today.

Eisenhower has proposed a dollararily balanced 77-billion-dollar budget for the fiscal year beginning today, subject to some added tax revenues he isn't likely to get. The deficit for the old year just ended is expected to come close to \$12,900,000.

## 2 FACE DEATH UNDER S. C. LAW

BEAUFORT, S. C. (AP)—A 24-year-old white Marine and a 19-year-old Negro—convicted in separate interracial rape cases—face death in South Carolina's electric chair.

Attorneys for both have asked for new trials. Neither has been sentenced pending hearings Thursday on new trial motions.

In each case, the death sentence was made mandatory under South Carolina law when the jury did not recommend mercy.

Israel Sharpe, a Negro, was convicted Tuesday night by a jury of six white and six Negro men of attempting to rape a young white woman in her home. Attempted rape is a capital crime in South Carolina.

Little more than 24 hours earlier, Marine Pvt. Fred Davis, a native of Atlanta, was convicted by an all-white jury of raping a 47-year-old Negro woman.

Mercury is the closest to the sun of any major planet.

## STATE OFFICER IS ARRESTED ON LIBEL CHARGES

HARRISBURG (AP)—"The whole thing was just out of a 'Western TV movie. It was really corny.'"

It was Aud. Gen. Charles C. Smith recalling how a gun-toting Beaver County constable, wearing a shiny badge, holster and a Sam Browne belt, arrested him Tuesday on charges of criminal libel filed by Samuel G. Neff, Ellwood City.

The constable, Lester Koah, walked into Smith's ornate office in the State Finance Building a

half hour after closing time. "He put his hand on my shoulder and said, 'you're under arrest,'" said Smith.

He added that the constable wouldn't let go of his shoulder until Richard Eisenhower, the auditor general's chief counsel, intervened.

**Posts \$1,500 Bail**  
Smith said the constable insisted that he return with him to Beaver County for a hearing. But an arrangement was made for the Republican fiscal officer to post \$1,500 bail with Harrisburg Alderman J. L. Grimes for appearance before Justice of the Peace Raymond Solero at Conway Borough Hall Friday night.

The charges were criminal libel, conspiracy to accuse someone of a crime and issuing libelous statements.

Neff filed them after denying

LONDON (AP)—Britain today faced the threat of the biggest shutdown of newspapers since the general strike 33 years ago.

A strike of printing inkworkers supplying Fleet St.—London's newspaper row—cut off supplies to the big national newspapers which circulate 20 million copies a day throughout the nation.

A spokesman for the Newspaper Proprietors' Assn. said the papers had stocks only for four days and would be forced to suspend publication with Sunday's editions.

Smith's allegations that he took part in a political kickback scheme involving Beaver County road equipment contracts.

Smith's charges led to Neff's dismissal as head of the State Workmen's Insurance Fund. Neff is a former Beaver County Democratic chairman.

## James MARLOW Reports

The Associated Press

WASHINGTON (AP)—President Eisenhower has found it a lot tougher to cut government spending than he seemed to think it would be when he was on the outside wanting in.

He set a low spending goal he has never been able to get down

to. He promised to balance the budget but has been able to do it only twice since he took office. Tuesday the government wound up the fiscal year with the biggest budget deficit in peacetime history. It reached almost 13 billion dollars.

### Recalls 1952

Back in the 1952 presidential campaign Eisenhower banded away at Democratic spending and promised to do better, a lot better. He promised that if elected the Republican administration would:

"First, provide a sound dollar. A major step is to reduce government spending (from the then rate of 81 billion dollars a year) to something like 60 billion dollars

within four years.

"Such a cut would eliminate the deficit in the budget and would make way for a substantial tax reduction."

### What Has Happened

What has happened since Eisenhower took office in January 1953? This is the story of the budget, starting with fiscal year 1954 which began July 1, 1953.

For fiscal 1954—budget deficit of \$3,100,000; fiscal 1955—budget deficit of \$4,200,000,000; fiscal 1956—budget balanced, with \$1,600,000,000 to spare; fiscal 1957—budget balanced, again with \$1,600,000,000 to the good; fiscal 1958—budget deficit of \$2,800,000,000; fiscal 1959, which ended Tuesday—budget deficit of around 13 billion.

lions.

In short: Eisenhower managed to balance the budget only twice. Never in that time did government spending get down to the 60-billion-dollar figure he talked about in the 1952 campaign.

### Cut Taxes In '54

Nevertheless, in 1954 the Republican-run Congress of that year made good on one of Eisenhower's expressed hopes of the 1952 campaign. It cut taxes.

But the public debt, which was around 271 billion when he first took office, is now around 285 billion. As for the sound dollar Eisenhower spoke of in 1952, it, too, has lost some ground.

The government uses the years 1947-49 as a base period to show

changes in living costs and the purchasing value of a dollar. When Eisenhower took office in January 1953 you would have had to spend \$1.14 to purchase what a dollar would have bought in 1947-49.

### Still Trying

Now you would have to spend \$1.24.

But the President has never given up his hope for a balanced budget. He hopes to achieve another in the 1960 fiscal year which started today. He has set a goal—a budget of 77 billion dollars, balanced and with 70 million or more left over.

It will be a tight squeeze, perhaps, but Eisenhower has made a fiscal 1960 balanced budget a

## Darkness Ends 27-3 Game At End Of 1st

PITTSBURGH, Kan. (AP)—The Rev. G. W. Corporon, Arcadia, Kan., correspondent for the Pittsburgh Headlight and Sun, reported: "A baseball game between the Arcadia Cub Scouts and the Lindborg Cub Scouts resulted in a 27-3 victory for Arcadia. The game had to be called on account of darkness at the end of the first inning."

personal crusade and is beating the Democratic-run Congress on the head to keep down spending so he can achieve the balance.

## Pa. Supreme Court Says Apportionment Is Political

PHILADELPHIA (AP) — The State Supreme Court says it has no jurisdiction over the apportionment of state senatorial districts.

In a 4-2 decision Tuesday, the court ruled the matter was "purely a political question" and that the court could not act.

The opinion, written by Chief Justice Charles Alvin Jones, came in response to two suits. One sought an increase from 8 to 10 the number of state senators from Philadelphia and election at large instead of by district. The other suit sought to increase Montgomery County's state senators from one to two.

**Now Under '21 Law**

State senators are now apportioned under a 1921 law based on the 1920 census. The law backs up a provision of the state constitution which calls for one senator from each senatorial district, with each district to be as nearly equal in population as possible.

Justices John C. Bell and Benjamin R. Jones dissented from the decision, and Justice Thomas D. McBride, former attorney general did not take part.

**Bell Dissents**

Chief Justice Jones said the greater weight of precedent holds

that the court is not authorized to hear a complaint concerning an action or failure to act by the Legislature in respect to its constitutional obligation to apportion senatorial districts.

Chief Justice Jones wrote that election of state senators at large would be unconstitutional. If the 1921 act were declared unconstitutional, he said, all legislation by the state senate since that time might be questioned.

Justice Bell, dissenting, said the present apportionment is "discriminatory and unjust. He noted some senatorial districts now have more than five times the population of others, and declared apportionment should be on the basis of the latest census.

In another decision, the court ruled that operation of a cemetery is basically a "secular use of the land." The court denied an appeal by the Russian Orthodox Church on the Holy Ghost in Ambridge, Beaver County, which sought to establish a cemetery on an 88-acre tract in Rochester Township.

The tract is zoned for residential and agricultural use and the land may also be used for religious purposes.

In the 5-2 majority opinion, Jus-

## Rubber Workers Get Two-Year Contract

BEAVER FALLS, Pa. (AP) — United Rubber Workers Local 256 accepted a two-year contract today, averting a strike of 429 production workers at the Beaver Falls plant of Armstrong Cork Co.

The agreement provides immediate wage increases varying from 8 to 12 cents an hour, a wage reopener clause effective next July 1, and adjustments of seniority and incentive wage programs.

Under the old contract which expired at midnight Wednesday, workers were earning \$1.93 to \$2.81 an hour.

Federal Mediator Henry Maggioni continued negotiating with management at Armstrong's Pittsburgh plant and representatives of Local 256 to settle a similar contract dispute.

Justice Herbert B. Cohen declared that the church's argument that the cemetery would be a place of religious use went too far. Justices McBride and Michael Musmanno dissented.

**Unlawful Picketing**

The high court also up held an injunction banning picketing or other union interference at the site of a new high school in Northampton County.

The majority opinion, by Justice Benjamin R. Jones, declared that Local 375 of the International Brotherhood of Electrical Workers attempted to force a non-union contractor to form a union shop.

"Such purpose was unlawful and the picketing was properly enjoined," the opinion stated.

Justice McBride dissented, saying that he believed the injunction was unlawful either under the cause jurisdiction belonged to the Labor Anti-injunction Act or be National Labor Relations Board. He added that, in either case, the lower court ought to consider it further.

**CHRISTIANSBURG, Va. (AP)** — Somebody broke into a service station Tuesday night, stole eight pints of ice cream and fed it all to the dogs at the local pound.

Mrs. Marjorie M. Smith, Taneytown, new Maryland lady trapshooting champion, is shown receiving her trophy from Phil Shields, vice president of the Amateur Trapshooting Association of North America. She scored 94 out of a possible 100. Mrs. Smith was also re-elected president of the Maryland State Sportsmen's Association for the coming year. Her husband, Robert W. Smith, was re-elected delegate to the Amateur Trapshooting Association, parent body of the Maryland association which met in Baltimore Saturday.

## E. S. GREENWOOD RETIRES

HARRISBURG (AP) — Earl S. Greenwood, 65, of Harrisburg, retired yesterday as chief of the Division of Propagation of the State Game Commission.

Greenwood joined the commission in 1932 when he established the Loyalsock Game Farm in Lycoming County. He headed the farm operation until 1945 when he came to Harrisburg in the post he held until retirement.

Retirement is compulsory in the Game Commission at age 65.

## Every American A Little Heavier And Taller Today

WASHINGTON (AP) — Every American is a little heavier and a little taller today than Tuesday. Every Englishman is a little lighter and a little shorter.

This all comes about because, effective at midnight Tuesday six English-speaking nations adopted new, standard definitions for the pound and inch.

The changes from the old definitions are so slight they can't be measured on any bathroom scale or yardstick. They are important, though, in certain technical fields of manufacturing and research which use more accurate measuring devices.

**Fraction Of Ounce**

For the American who Tuesday weighed exactly 150 pounds, the change in the pound adds 1/300 of

an ounce to his weight. An American who was exactly six feet tall is now approximately 1/800 of an inch taller.

Canadians also are taller and heavier because, until today, they used a longer inch and a heavier pound than the new standard measures. However, residents of the four other countries involved are shorter and lighter. The four — Great Britain, South Africa, Australia and New Zealand — had been using a shorter inch and a lighter pound.

SEOUL, Korea (AP) — A crowded bus plunged down a 30-foot cliff 60 miles east of Seoul today, killing 11 Koreans and injuring 15. The accident was blamed on a defective steering wheel.

## A BURST of

# VALUES

## for a GLORIOUS PICNIC

## PICKETS KEEP 13,000 STEEL WORKERS IDLE

ALIQUIPPA, Pa. (AP)—Pickets kept some 13,000 members of the United Steelworkers' biggest local away from their jobs today at the Aliquippa plant of Jones & Laughlin Steel Corp.

Some of the pickets carried placards reading:

"No contract—no work."

Both company officials and heads of the USW local 1211 said the strike was unauthorized. The work stoppage started when em-

ployes on the 8 a.m. to 4 p.m. shift failed to report.

### To Bank Furnaces

A company spokesman said efforts are being made now to bank blast furnaces and open hearths. The plant employs about 14,000, including staff employees.

Contracts covering the basic steel industry were scheduled to expire last midnight but international union officials and company representatives agreed to extend the contract to July 14.

Michael J. Zahorsky, recording secretary of Local 1211 said every effort is being made to get the men back to work. He added:

"I think it is safe to say that some of the pickets are not members of the United Steelworkers. Our contract is sacred. We want the men back on the job."

## PUBLIC SALE Of Valuable Real Estate Thursday, July 23, 1959

The undersigned, Administratrix d.b.n. c.t.a. of the Will of Charles D. Taughinbaugh, deceased, late of the Borough of Gettysburg, Adams County, Pa., will offer at public sale on the respective premises on Thursday, July 23, 1959, the following real estate:

**On the premises at 1:00 o'clock P.M., D.S.T.**  
A lot of ground situate on the East side of Baltimore Street in the Borough of Gettysburg, Pa.; bounded on the North by Richard A. Brown, on the South by Frank Deatrick, on the East by a public alley and on the West by Baltimore Street; said lot of ground is known as 108-110 Baltimore Street and is improved with a three-story brick building. This is a valuable business and residential property and commands your attention.

**On the premises at 2:00 o'clock P.M., D.S.T.**  
A lot of ground situate on the East side of North Stratton Street in the Borough of Gettysburg, Adams County, Pa.; bounded on the North by Laura Warner, on the South by Nellie McLaughlin, on the East by a public alley and on the West by North Stratton Street; said lot of ground is known as 231 North Stratton Street and is improved with two-story stucco house and garage.

The terms and conditions of this sale will be made known at the time of the sale by the undersigned.

MINERVA T. BAKER  
Administratrix d.b.n. c.t.a.  
of the Will of Charles G.  
Taughinbaugh, deceased.

Clair Slaybaugh, Auctioneer  
J. F. Yake Jr., Attorney

## Boy, 7, Mangled In Clothes Dryer

OKLAHOMA CITY (AP)—Did curiosity lead a 7-year-old boy to a tragic death inside of an automatic clothes dryer?

Detective E.B. Meals said that probably was the reason Jerome Brown crawled into the coin-operated machine early Tuesday.

His body, mangled badly, was found about an hour and a half later by two women who were the first customers at the laundromat, which is unattended.

The youngster, son of Dorothy Gale Brown, was identified by teeth and clothing.

Meals said the machine started after the boy closed its door. Housewives of the area had been using the dryer free because a coin had stuck in the starting mechanism. They operated it by merely closing and opening the door.

Both union and company officials said they knew of no grievances involved in the dispute.

Nicholas Mamula, long an outspoken opponent of the union's international leadership, is president of Local 1211. He was a leader in a rebel group of steelworkers who protested a \$2 a month membership dues increase in 1956.

Zahorsky said Mamula is making every effort to get the men back on the job. He said Mamula went to the plant gates to "plead with workers to return to their jobs."

The big plant has capacity to produce 2,300,000 tons of steel annually. It had been operating at near capacity rates.

Only last week an unauthorized strike at J & L's Pittsburgh works interrupted production for several days. That dispute started when workers accused the company of cutting incentive pay rates. All have since returned to work.

Aliquippa is about 25 miles northwest of Pittsburgh.

## QUEEN SEES GREAT FUTURE FOR CANADA

OTTAWA (AP)—Queen Elizabeth II saluted Canada today as the first independent country within Britain's empire and predicted a glorious future for her North American subjects.

The young monarch, in a TV speech prepared for Dominion Day, Canada's major national holiday, said that she and her husband, Prince Philip, are enjoying their tour.

"If I have helped you feel proud of being Canadian, if I have reminded you of the strength which comes from unity, and if I have helped draw your attention to the bright vision of the years ahead, I will feel well satisfied because I believe with all conviction this country can look to a glorious future," she said.

Emphasizing the ties of the British Commonwealth, she said: "This is no mere sentimental organization but a vigorous association for cooperation and mutual help on the widest scale."

### Presents Gold

The Queen and Philip arrived in the Canadian capital Tuesday night after watching the centennial running of North America's oldest horse race—the Queen's Plate Stakes at Woodbine, near Toronto. A crowd of at least 30,000 had been expected, but only 19,846 turned out.

Elizabeth, one of England's leading horse owners, went to the winner's circle afterward and presented the traditional 50 guineas—\$150—in a purple velvet bag to E. P. Taylor, Toronto businessman, whose horse, New Providence, won by a length and a half. Taylor also collected \$51,625 of the gross \$77,300 purse.

## PILOT COULD NOT PREVENT PLANE CRASH

NAHA, Okinawa (AP)—The pilot of a U.S. jet fighter that crashed into an Okinawan schoolhouse Tuesday did everything humanly possible to prevent his burning plane from falling into an inhabited area, the Air Force said today.

The crippled F100 Super Sabre jet crashed in flames in the little Okinawa city of Ishikawa, killing 16 persons, wounding 112 and making more than 200 homeless.

The pilot, Capt. John G. Schmitt Jr. of Chalmers, Ind., parachuted to safety. Brig. Gen. Dale O. Smith, commander of the 313th Air Division, said Schmitt could not have brought the plane under control even if he had remained with it.

### 19 Are Critical

With 19 of the injured in critical condition, there was a possibility that there would be more deaths. It was one of the Air Force's worst air disasters in the Far East since World War II.

The Air Force said that 10 of the dead and 102 of the injured were pupils of the primary school the plane struck in its fiery fall. After hitting a corner of the school, the disintegrating plane leap-frogged over a 10-block residential area, setting fire to more than 30 houses.

## Teen-agers Get Whipping In Court

TAVARES, Fla. (AP)—Nine teen-age boys had smarting bottoms today as mementoes of a trespassing foray and their subsequent visit to the court of County Judge W. Troy Hall Jr.

Hall, an ex-Marine and father of two girls, gave the boys, 17 and 18 years old, their choice Tuesday of going to jail for 90 days or taking a whipping in the courtroom.

They chose the whipping.

NANTUCKET, Mass. (AP)—This island off the coast of Massachusetts, once a famous whaling base, will celebrate its 300th birthday Thursday with a big clambake. The island, purchased in 1639 from Thomas Mayhew, was formerly part of the New York colony.

NEW YORK (AP)—There are lions in the streets of New York—about 40,000 of them. Lions International is holding its annual convention here. Tuesday they staged a parade down Fifth Avenue, with representatives of every state and 50 foreign countries among the 25,000 marchers.

WASHINGTON (AP)—The number of federal employees dropped 2,178 in May as compared with the preceding month, Sen. Harry F. Byrd (D-Va.) said today. The total number of employees was 2,340,638 in May as against 2,342,836 in April.

GREENSBURG, Pa. (AP)—Edward Orban, 32-year-old construction worker from nearby Irwin, died Tuesday night at Westmoreland Hospital a few hours after he was overcome by heat prostration.

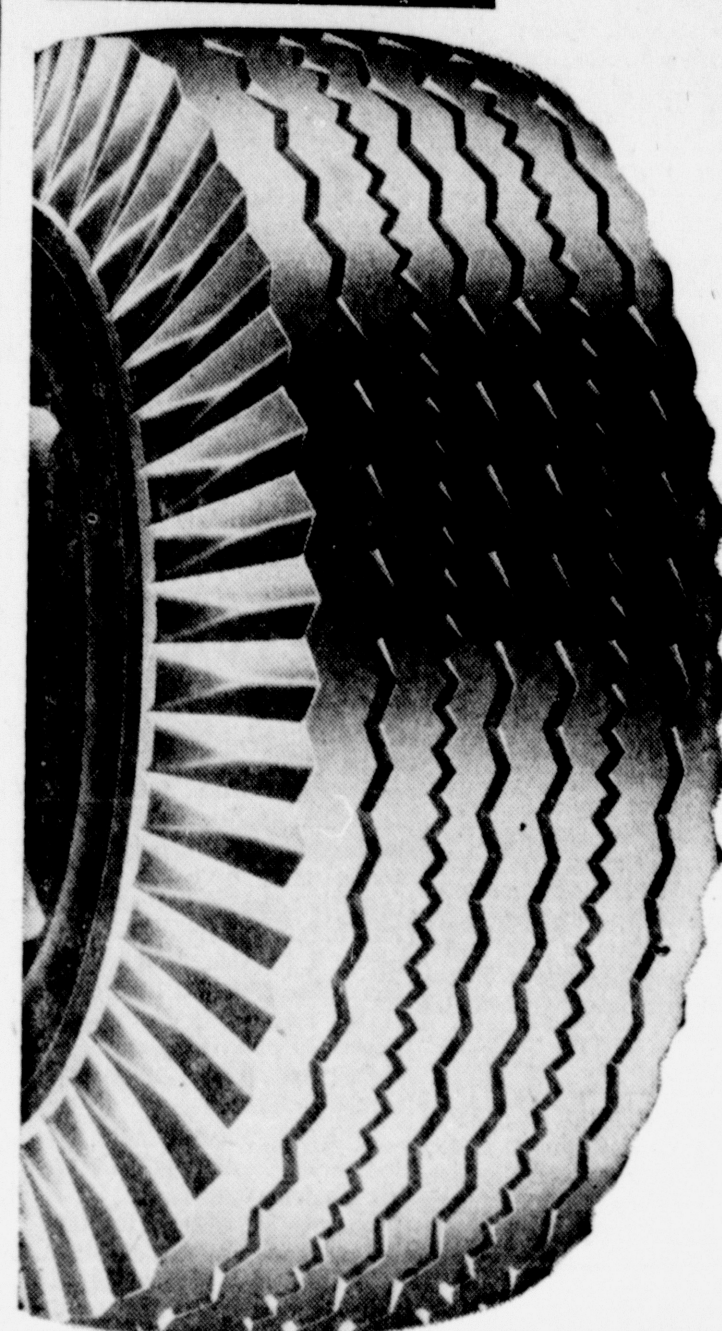

Orban became ill while working on a project job in Irwin. He was an employee of the Allen Construction Co. of Dayton, Ohio.

### \$4,500 DRAPES EMBARRASSING TO AF ACADEMY

WASHINGTON (AP) — The Air Force, already roundly criticized by Congress for the cost of its new academy at Colorado Springs, is suffering fresh embarrassment in the case of the \$4,500 drapes.

It seems the Air Force spent around \$90,000 to build a 21-foot overhanging roof around its glass-walled academy dining hall to keep out the sun.

In justifying the expenditure, Air Force Secretary James H. Douglas last year told the House Appropriations Committee the overhang would eliminate any need for drapes.

#### And Drapes, Too

In this year's appropriations committee hearings made public today, Rep. Harry M. Sheppard (D-Calif.) disclosed that drapes costing \$2,000 already have been installed in the dining hall with another \$2,500 needed to finish the job.

That, Sheppard noted, was for only one of the three glass-walled sides of the room.

Undersecretary M.A. MacIntyre had no explanation. But he said he was sure Douglas "would be quite upset in learning about the facts."

The subject was dropped. Apparently the drapes stay up. So does the \$90,000 roof overhang.

### NEW DIRECTOR AT MONT ALTO

HARRISBURG (AP) — Dr. Charles L. Wilbar, state health secretary, today announced the appointment of Dr. Warren A. Gette, 49, as medical director of Samuel G. Dixon State Hospital, South Mountain, Franklin County. Gette succeeds the late Dr. Norman H. Wiley in the \$12,075-a-year post.

A native of Philipsburg, Centre County, Gette was graduated from the University of Pennsylvania's school of medicine. For the past seven years, he has been chief of professional services at the hospital.

He is married to the former Doris Lee Fitzgibbon, Philipsburg. They have a daughter, Gladys Ruth.

#### ARMORY CONTRACTS

HARRISBURG (AP) — The property and Supplies Department awarded these contracts Tuesday for construction of a new two-unit armory for the Pennsylvania National Guard at Lebanon.

General construction — J. H. Greiner and Co., Inc., Lebanon, \$176,800; electrical — E. Irvin Peifer, Lebanon, \$14,520; heating — Margut's Plumbing and Heating Co., Lebanon, \$20,236; plumbing — Clark R. Royer, Lebanon, \$16,388.

SACRAMENTO, Calif. (AP) — California's booming population, as climb slowed only slightly by last year's recession, reached an estimated 15,280,000 today—an increase of 528,000 during the past year.

### Pays 50-Cent Bill Incurred In 1937

WASHINGTON (AP) — Note to taxicab Driver Oakley Teater at Austin, Texas:

Your 50-cent debt to the cafeteria in the Agriculture Department incurred on your visit here in 1937, has been paid.

On a recent trip to Austin, Dr. Ellis L. Klein of the Naval Research Laboratory, rode in Teater's cab. The driver recalled that on a visit to Washington, he had eaten at the department cafeteria, but in an oversight had walked out without paying.

"It's been on my conscience ever since," Teater said. "Here's the 50 cents. Take it back and pay the bill for me."

This Klein has done.

HAMBURG, N.Y. (AP) — Supervisor Raymond J. Emerling makes \$1,200 more than he thinks he deserves so he gave the surplus to three Little Leagues. Emerling, a Democrat, campaigned on the issue that the town board should pay the supervisor only \$6,000 a year instead of \$7,200.

WILLIAMSVILLE, N.Y. (AP) — Nobody wants to be queen of Williamsville. Not one application was received. "We don't understand it," said John F. Plummer, president of the sponsoring Williamsville Drum Corps. "We're canceling the contest."

NEWARK, N.J. (AP) — Just after several dozen men working on a pier left for a coffee break, a 65-ton pile driver crashed through the structure Tuesday. The accident injured two men.

ALBANY, N.Y. (AP) — Trucks with tandem trailers may now operate on the New York Thruway. They will pay double tolls of 10 cents a mile.

### 6 BOYS ADMIT SHOOTING SIX NEGRO YOUTHS

RICHLAND, Va. (AP) — A Richmond judge will study probation reports before he sentences six white youths who pleaded guilty Tuesday to two counts each of malicious wounding in the shooting of six Negro boys. The probation reports are not expected for two months.

Four other malicious wounding counts against the six were continued. Also continued by Judge W. Moscow Huntley in Richmond Hustings Court was trial for three other white youths charged with one count of malicious wounding.

Conviction of malicious wounding in Virginia carries a prison sentence of from 1 to 20 years.

#### Struck By Pellets

Six Negroes were struck April 26 by shotgun pellets fired from a speeding car as they walked toward their homes in a middle class Negro residential area. Samuel Clark Jr. and Carlton J. Washington were hospitalized.

Police said the shootings followed a rock-throwing battle between a group of whites and a group of Negroes.

Pleading guilty were Raymond G. Lumpkin, 19; Thomas A. Parkinson, 20; Robert J. Kenney, 17; Virgil T. Hancock III, 16; Cecil P. Deane, 17; and Robert L. Carlton 20.

Trial will be held later this month for John B. Flournoy, 18; Earl Price Garrison Jr., 17; and Charles Lee Carlton, 22.

### DEATHS

PARIS (AP) — Paul Rosenberg, 78, of New York, international art dealer who helped launch some of the most modern French painters, died Monday. He had suffered from arteriosclerosis but had been confined to bed only a few days.

DAYTONA BEACH, Fla. (AP) — Dr. Harry E. Mock, 78, retired surgeon and medical author, died Tuesday. He had served as senior surgeon at St. Luke's Hospital in Chicago, as associate professor surgery at Northwestern Medical School and consulting surgeon for several railroads. He was born in Muncie, Ind.

COLUMBUS, Ohio (AP) — Sid R. Phillips, 67, long associated with the Columbus Dispatch and the Ohio State Journal in various promotional capacities, died Tuesday. Phillips, who had been ill with cancer for a year, was born in New Orleans.

MEXICO CITY (AP) — Jose Vasconcelos, 77, famous Mexican writer and public figure, died Tuesday of a heart ailment. He was former minister of public education and ran unsuccessfully for the presidency in 1929. He once was a professor at the University of Chicago.

WASHINGTON (AP) — Jon M. Jonkel, 44, former Chicago public relations man credited with steering the 1950 upset victory of Sen. John Marshall Butler (R-Md.) over Democratic Sen. Millard Tydings, died Monday in Jakarta, Indonesia. His Washington attorney said Jonkel died after suffering a cerebral hemorrhage Saturday.

# Daughters Of Charity Have History Marked By Heroic Social Service To Humanity

Editor's Note: The Sisters of Charity founded at Emmitsburg in 1809 by Mother Seton became associated in 1850 with a French Sisterhood, the Daughters of Charity, founded by St. Vincent de Paul and St. Louise de Marillac in 1633. During her lifetime Mother Seton had laid the foundation for the union of the American group with that founded in France. With the adoption of the new rule, the Sisters of Charity at Emmitsburg adopted the white cornets and the blue habits, typical French peasant dress of the seventeenth century. Other groups clung to the small black bonnet and black habit which Mother Seton had adopted at the outset of the new community, but which she intended to change once the French rule was adopted. Today, as a part of their sesquicentennial celebration the Sisters of Charity at Emmitsburg mark the tercentenary of the deaths of St. Vincent de Paul and St. Louise de Marillac in 1659. It is in honor of St. Louise that St. Joseph College struck and awarded for the first time in this anniversary year, the St. Louise de Marillac medal, awarded annually now for conspicuous service to one's neighbor. In recognition of the anniversary of the Sisters of Charity The Gettysburg Times publishes the following brief history of the order.

The Company of the Daughters of Charity was founded in

1797, the superioress general could return to Paris and reassemble her subjects. By 1800, the Sisters had returned to more than 200 of their houses.

### Legal Status Restored

Legal status was restored by the chapal decree, Dec. 12, 1800, which admitted that "the hospitals of the Republic which have recalled the former members" are those that are directed with the greatest care, intelligence and economy, because the only aim of these women is to practice limitless charity. A new threat to the renaissance community arose from the attempt of Napoleon I to remove it from the jurisdiction of the superior general of the Congregation of the Mission, as demanded by its constitution, and to place it under episcopal authority. The fall of Napoleon removed this obstacle, and in 1815 the community moved to a new motherhouse, the former Hotel de Chatillon, 140 rue du Bac.

Here in 1830 the Burgundian novice Catherine Laboure received the astonishing visions of the Miraculous Medal, through which Heaven's Queen prepared men's minds for the solemn definition of the dogma of Her Immaculate Conception. Our Lady asked to have a medal bearing Her image, struck and disseminated. After making suggestions for restoration of the community to pre-Revolutionary status, Our Lady predicted that another religious society would seek admission into the community. She added, "This is not usual, but I love it. Tell them to receive it. God will bless the union. . . ."

Between 1840-1846, Mary again visited the community, showing to Sister Justine Bisquebure the Green Scapular of the Immaculate Heart, the instrument of remarkable conversions as well as cures.

**Scapular of the Passion**  
In 1846, Our Suffering Lord chose Sister Apolline Andrieu to initiate the Scapular of the Passion.

While Mary and Her Son were mindful of this sisterhood which sought to imitate the virtues and life of Our Lord through self-sacrifice and the service of the neighbor, especially the poor, what had become of Our Lady's prophecy of the admission of another community into the original foundation.

The answer lay in the United States, and the story began in New York. Elizabeth Ann Bayley Seton, 1774-1821, had become a convert in 1805, after a stay in Catholic Italy with her dying husband. Prejudice opposed her at-

Among the diners at the OX-5 Club banquet Saturday night in the Hotel Gettysburg were those seated at the head table, pictured here, left to right, Stanley Keck, Quakerstown; William Laughlin, Wormleysburg, national treasurer; Jack Norris, Washington, D. C., of the CAA; Samuel Bigony, Pottstown, state OX-5 president; Clarence Chamberlain, pioneer Atlantic flyer and speaker, and standing, Jim Schwenk, general chairman for the two-day meeting held here; Cliff Ball, Pittsburg, national secretary of OX-5, and Bernard J. Camarero, Bridgeport, Conn., member of National Pilots Association and guest of Chamberlain. At the table in the left foreground are an unidentified woman and Mrs. and Mr. Norman Rintoul, Sparta, N. J. (Photo by Ziegler Studio)

tempts to gain a living for herself and her five children in New York schools. Thankfully Mrs. Seton accepted the invitation of Rev. Louis G. Dubourg, S. S., president of St. Mary's College, Baltimore, to establish a Catholic school for girls in that city.

### Emmitsburg Foundation

When a few young women, desirous of serving God and neighbor, joined Mrs. Seton in Baltimore, moving afterwards, July 31, 1809, to a farm, the gift of Samuel Cooper, at Emmitsburg, Md., the American sisterhood, guided by the Sulpician Fathers, was modeled upon that of St. Vincent de Paul. Bishop-elect Flaget of Bardonia, Ky., was asked to secure the rules of the original community and Sisters to train the American aspirants.

Three Sisters were appointed, writing to the American pioneers from Bordeaux in July, 1810, but Napoleon's government refused passports. Bishop Flaget was permitted to bring the rules, constitutions, and confessions of St. Vincent, and these served as the basis of organization of the Sisters of Charity of St. Joseph's.

The rising United States order possessed, in Rev. John T. Dubois, founder of Mt. St. Mary's College, Emmitsburg, and third bishop of New York, and Rev. Simon G. Brute, first bishop of Vincennes, Ind., spiritual advisers who had intimately known the Daughters of Charity in France before and after the Revolution, and hence were well qualified to direct the new American foundation.

During her twelve years in St. Mother Seton had established the forerunner of the parochial school system in the United States opening a free school for neighborhood children on February 22, 1810, and in May was begun the boarding school which developed into the famous St. Joseph's Academy, eventually becoming a college in 1902. Mother Seton also cared for and educated a few orphan girls at her institution.

**Maryland Charter**  
In 1814, Sisters were sent to staff St. Joseph's Asylum, Philadelphia; in 1815 they assisted Father Dubois by assuming the domestic department at Mt. St. Mary's. In 1816, the corporation of the Sisters of Charity of St. Joseph's received a Maryland charter, and in 1817 they went

to the New York Orphan Asylum, Prince Street. Religious stability on those brought by Bishop Flaget from France and approved by Arch-bishop Carroll in 1812; after a year's novitiate, the Sisters first took their vows in 1813.

At the comparatively early age of forty-seven, Mother Seton died, leaving about fifty Sisters to mourn the loss of this foundress endowed with deep faith, strong hope, and ardent love. The loss of many members of her family, bitter poverty, and social ostracism had been severe trials, but God never left her without kind friends and effective spiritual assistance.

In 1823, the Sisters inaugurated their nursing service by accepting the Baltimore Infirmary, forerunner of the present University Hospital. In 1828, they established the St. Louis Mullaphy Hospital, the first Catholic hospital in the United States and the first west of the Mississippi. During the cholera epidemic of 1832, they offered to nurse the sufferers, and several Sisters died in service.

### Baltimore Establishments

In 1840 was commenced St. Vincent's Hospital, Baltimore, later Mt. Hope Retreat, and finally the Seton Institute; this was the first Catholic mental hospital in the United States, early employed various types of therapy, has an excellent reputation for restoring patients to normalcy, and now includes a course for training Catholic psychiatrists.

Michigan's first hospital, St. Mary's, Detroit, was opened in 1845, and Milwaukee saw its first hospital, St. John's, later St. Mary's, established in 1848.

After several petitions for union of the American Sisters with the original Paris foundation had been addressed to major superiors, an affirmative answer was given in 1848. On March 25, 1850, the American Sisters made their vows to the superior general, Paris, and on December 8, 1851, they assumed the familiar white cornette and blue-gray habit of the Daughters of Charity.

**Sisters Journey West**  
In 1852 the Sisters went to San Francisco, losing two of their number to tropical diseases on the Isthmus of Panama. In 1853 they founded St. Ann's Infant Asylum, St. Louis, the first shelter for mothers and babies conducted

caused a territorial division. The Western Province, extending from Tennessee to the Pacific, has its center at Marillac Seminary, St. Louis, Mo., while the headquarters of the Eastern Province is at St. Joseph's Central House, Emmitsburg, Md.

### Nurse During Epidemic

During the 1918 influenza epidemic, the Sisters nursed in their own and emergency hospitals, in patients' homes and in military hospitals and in camps. School Sisters joined those of the hospitals in fighting the epidemic.

From 1920 to the present has been a period of expansion and of undertaking works adapted to the needs of the Church. Catechetical centers having been established in the Diocese of Syracuse, N. Y.; homes following the cottage plan have been built at St. Joseph's Villa, Richmond, Va., and St. Farmington, Mich.; a home for disturbed boys has been accepted in Rhinebeck, N. Y.; a hospital for incurables, as well as a residence for ladies, has been opened in Baltimore. The Marian Retreat House in the same city provides not only for the community but for laywomen.

Nazareth, Boston, serves dependent children in a variety of ways: a cottage-type home and school, a guidance clinic for children referred, a training course in child care. Laboure Center in the same city, provides social service, day nursery, home visiting, and home nursing. Sisters are full-time staff workers at Archdiocesan Catholic Charities, New York.

### Has Shared Growth

The community has shared in the phenomenal growth of the Catholic school system. Members are stationed at four inter-community high schools, and will staff large units recently erected or to be built within the year. Some elementary schools have seen their plant doubled within five years.

Practically all hospitals have erected a new plant or wing, including St. Mary's, Rochester; Sisters of Charity Hospital, Buffalo; St. Mary's Hospital, Troy; Lourdes Hospital, Binghamton N. Y.; Carney Hospital, Boston; St. John's Lowell; Providence, Detroit; St. Mary's, Saginaw; Providence, Washington; De Paul, Norfolk; Sacred Heart, Pensacola; St. Vincent's, Jacksonville.

St. Joseph's College, situated on the Central House grounds, has seen built three residence halls, an administration building, two classroom units, a library, a home economics building, and a student center.

### Have Foreign Missions

The American Sisters have also

staffed five foreign missions. From 1862-1868 they were stationed at St. Mary's School, Toronto, Can. In 1905, six Sisters sailed for Mayaguez, Puerto Rico, where they established the first parochial school on that island, organized a soup kitchen, and visited the many sick and poor. Other houses have since been founded.

Between 1906-1907 some American Sisters assisted the French Sisters established at Santo Tomas Hospital, Panama City, Panama, until all the Sisters were withdrawn.

In 1924, the community opened St. Margaret's House, Kanchow, Kiangsi, China, and in 1929 the House of Immaculate Conception was begun at Ta-Ho-Li in the same vicariate. Civil War caused all the Sisters to flee to Shanghai in disguise in July 1930, going thence to the United States. By December 1936, they had resumed work at Kanchow. The Japanese invasion drove them out in 1944, and they nursed in a U. S. Army hospital in China until returning to Kanchow in 1945.

### Expelled By Reds

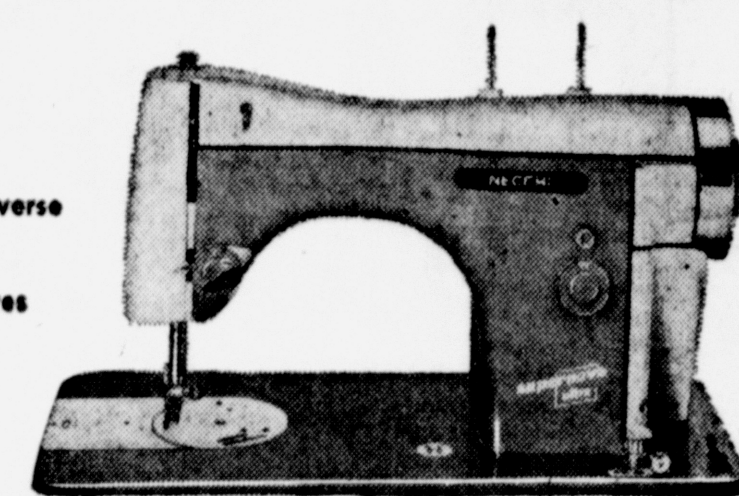

In 1951, the Reds took over St. Margaret's. The Sisters were expelled by degrees, the superior after a mock trial, until all had been driven out by September 1952. Works at Kanchow and Ta-Ho-Li included hospital, nursing school, infant home, home for aged, catechetical classes, and dispensary.

The very year of their final expulsion from Kanchow, the American Daughters of Charity were requested by Pope Pius XII to undertake a mission in Bolivia. Many volunteered, and at present there are houses in Trinidad and Cochabamba. The works include a school, a clothing factory, catechetical instruction, dispensary, and visiting the poor and the sick.

In 1958, the Daughters of Charity of St. Vincent de Paul, Eastern U. S. Province, are established in the following areas: Archdioceses of Baltimore, Boston, Detroit, New York, Philadelphia, Washington; Dioceses of Albany, Bridgeport, Brooklyn, Buffalo, Charleston, Harrisburg, Mobile, Birmingham, Portland, Raleigh, Richmond, Rochester, Saginaw, St. Augustine, Syracuse, Wilmington, Youngstown; Foreign missions, Cochabamba, Trinidad, Bolivia.

# U. S. SECURITY PROGRAM HIT BY HIGH COURT

By PAUL M. YOST

WASHINGTON (AP) — Government officials studied today what changes they must make in security screening of defense plant workers to overcome a Supreme Court ruling that the program is not authorized.

But they appeared confident that the program, covering three million civilian workers in private plants throughout the country, can be continued in some way to protect the nation's defense secrets.

The ruling does not affect employees of the government itself, nor those in private plants who do not need to have access to government secrets.

**Other Big Decisions**  
The court ruling struck hardest at an accused worker's lack of opportunity to clear himself under the present program. The opinion was one of many issued Monday as the Supreme Court ended its nine-month term and recessed until October.

Other major decisions restricted libel suits against policy-making government officials, military officers, and radio and TV stations carrying political broadcasts which, under the law, they cannot censor.

The court also struck down some sections of the New York state law under which censors had banned showing of the film "Lady Chatterley's Lover."

**Victory For Greene**  
The security screening program

required that workers in plants having defense contracts meet government security standards before they could see classified information. Secret information was used in the screening process, and some workers who were not cleared were fired when employers could not use them in non-sensitive jobs.

The decision was a victory for William L. Greene, who was fired in 1953 from an \$18,000 job as a vice president of Engineering and Research Corp., in Riverdale, Md. The firing followed Navy revocation of a clearance for Greene.

Chief Justice Warren explained the court's ruling.

**Offer Interpretation**  
"We decide only that in the absence of explicit authorization from either the President or Congress, the respondents (defense officials) were not empowered to deprive petitioner (Greene) of his job in a proceeding in which he was not afforded the safeguard of confrontation and cross examination," Warren said.

Some officials interpreted this to mean that the program could be continued if accused workers were given full chance to defend themselves.

Warren emphasized the court was not ruling on inherent authority of the President to set up an industrial plant security program, or whether action by Congress was necessary to do so, or what the constitutional limits on executive or legislative authority might be.

Four associate justices joined in Warren's opinion.

Three others, Justices Frankfurter, Harlan and Whitaker, said they went along with the majority only on the ground the program had not been authorized. They intimated nothing on their views

about validity of the procedures used in Greene's case.

**Libel Rulings**  
In one of several libel rulings, the court held 5-4 that policy-making government officials are immune from libel suits in making statements to the press on matters under their control. The majority opinion said some injustices might result, "but we think that price a necessary one to pay for the greater good."

The Justice Department had contended in the case that democratic government depends on the public's knowledge of governmental policies and the conduct of government officials.

In a related 6-3 opinion, the court said military officers also are immune from suits in forwarding official reports to members of Congress.

Another 5-4 ruling held that radio and television stations have immunity from libel suits for statements made by candidates in political speeches. The federal law which requires stations to provide equal time to all candidates for an office also forbids censorship of such speeches by the station.

**MOSCOW (AP)** — The Central Committee Tuesday put before the Soviet people a master plan to cut corners in the race with the United States for industrial supremacy.

The plan, adopted at a five-day meeting of the committee at which Premier Nikita Khrushchev made the main speech, was spread over 3½ pages of the Communist party paper Pravda, and the government paper Izvestia.

It calls for widespread automation in industrial plants, retooling and mass mobilization of scientific and efficiency experts.

# BASEBALL PITCHES IN FOR NEW PROGRAM

**HELP 'STRIKE OUT' POLIO-ARTHRITIS VIRUS-DISEASES-BIRTH DEFECTS BY SUPPORTING NATIONAL FOUNDATION BASEBALL DAY.**

**JULY 4th, INDEPENDENCE DAY**, has been designated National Foundation Baseball Day when all segments of the baseball world—amateur and professional—will participate to aid in the fight against polio, arthritis and birth defects. All baseball fans are urged to help by attending games.

# Four Fined For Code Violations

The following fines and costs were collected by Justice of the Peace Roy E. Metz, Fairfield R. I.:

Marie Hollinger, Littlestown, parking on highway; Earl L. Robbins, Orrtanna, excessive loud noise with exhaust system; John P. Warner, Iron Springs, stop sign; A. William Jarvis, Gettysburg, speeding.

Informations were filed by state police for Robbins, Warner and Jarvis. Charles L. Sanders, Hamiltonban Twp. constable, filed information against Marie Hollinger. The violations occurred in Hamiltonban Twp. and Highland Twp.

Carlos Dore, outfielder with the Winston-Salem, N. C., was the most valuable player in the California State League in 1958.

# GETS 8-20 YEARS

PHILADELPHIA (AP) — Edward Lutz, 23, has been sentenced to prison for 8-20 years after pleading guilty to second degree murder in the shooting of Thomas McCorkle, 22, of Camden, N. J. McCorkle was shot to death in a washroom of a downtown bar in May, 1958.

# GIVEN PROMOTION

WASHINGTON (AP) — The Senate has approved promotion of Brig. Gen. Benjamin O. Davis Jr., Negro officer in the Air Force, to the temporary rank of major general.

Davis is the first of his race to reach that rank in the armed services. His father was a brigadier general.

Davis now is deputy chief of staff for operations for the U. S. Air Force in Europe with headquarters at Ramstein Air Force Base, Germany.

Those who sent gifts but were unable to attend were Mrs. Day Showers, Mrs. Russell Summers Jr., Mrs. Ruhl Robert, Mrs. William Shriener, Mrs. Robert McClellan and Mrs. Guy Kessler.

Mr. and Mrs. Frederick Woods, Orlando, Fla., are visiting their son-in-law and daughter, Mr. and Mrs. James Donaldson Jr.

Maj. and Mrs. Donald Lowe and family, Levittown, are spending a leave at the home of Mr. and Mrs. Harry Kane.

Mrs. Walter McClain has returned home from the home of her son and daughter-in-law, Mr. and Mrs. Clyde McClain, where she was confined to bed by illness.

Miss Anita Inskip has enrolled

# PUSH NEW AIR POLLUTION BILL

**HARRISBURG (AP)** — A compromise air pollution bill was proposed in the house Tuesday.

Chairman Harris G. Breth (D-Clearfield) of the Game and Conservation Committee produced the measure which he said is "the result of testimony given at the public hearing (in May) and conference between people from industry, legislators and the administration."

It attempts to bring together the differing views over where air pollution control should be centered by advocating a partnership-type arrangement between regional commissions and a state commission.

for a six-week session at Syracuse University, Syracuse, N. Y.

Mr. and Mrs. Earl Hartzell and son, Edward, spent the weekend with friends in Brookville.

# WOULD GIVE FUNDS TO PSU

**HARRISBURG (AP)** — A bill which would give Pennsylvania State University its requested appropriation of \$43,906,400 has been introduced in the Senate.

The measure was offered Monday by Sens. Paul L. Wagner (R-Schuylkill) and Frank W. Ruth (D-Berks).

The money provided in the measure would go to the trustees of the university for the operation of and maintenance of the colleges and services of Penn State during the 1959-61 biennium.

The Lawrence administration included an appropriation of \$34,227,335 for the school in its budget request to the General Assembly for the biennium.

During the 1957 - 59 biennium, Penn State received an appropriation of \$29,268,400.

## FILES SUIT TO HALT PURGE OF NEGRO VOTERS

NEW ORLEANS, La. (AP)—A Justice Department suit on file in U.S. District Court here seeks to halt the purge of Negro voters in Washington Parish.

The parish is in southeastern Louisiana, about 50 miles north of New Orleans.

The suit, filed Monday, names as defendants the White Citizens Council of Washington Parish; members Diaz D. McEleven, E. Ray McEleven, Saxon Farmer, Eugene Farmer; and the parish registrar of voters, Curtis M. Thomas.

Under Louisiana law, any two bona fide voters may challenge the right of another registered voter.

The government said that during the past seven months there were 1,377 affidavits filed challenging Negro voters in Washington Parish and that the Negro registration was reduced from 1,517 to 236. The petition said in the same period only 10 affidavits have been filed questioning the voting rights of white persons.

The suit, seeking an injunction against discriminatory challenges, has not been set for hearing.

The complaint said the challenging affidavits almost without exception were based on minor technical deficiencies such as spelling, deviations from printed instructions, failure to compute age precisely, and illegible handwriting.

## THOR, POLARIS ARE TEST FIRED

CAPE CANAVERAL, Fla. (AP)—U.S. intermediate-range ballistic missile capability has been strengthened by Monday's successful test firings of a Thor and a Polaris.

The Thor, which has logged several successes at its maximum range of 1,500 miles, showed it could do just as well at its minimum distance of 300 miles in a flexibility test Monday night.

The Air Force said the rocket achieved most of its test goals and its nose cone landed in the planned area in the Atlantic Ocean.

This was the Thor's first try at

## Taneytown

Mrs. Flora Leister  
Times Reporter — Phone PL 6-5421

TANEYTOWN — The Taneytown Kiwanis Club will hold its annual crab and shrimp feed at Taneytown Memorial Park Wednesday, July 15 starting at 6 p.m. Ladies are invited. This is a benefit affair and the proceeds will be used for underprivileged children.

Mr. and Mrs. Norman Diller, Lakeland, Fla., and Mr. and Mrs. Otto Jeager, Gibson Island, are spending a two-week vacation with Mrs. John Vaughn, Emmitsburg Rd.

David Naill returned Sunday after spending a week in the intermediate camp at Nawakwa. The following are attending the intermediate girls camp this week: Diana Fair, Connie Hahn, Jacquelyn Jester, Cynthia Nussbaum, Joan Reindollar and Nancy Stine. Robert and Richard Reindollar will spend the week at the junior boys camp.

Tommy Albaugh left Sunday for the new Maryland Synod camp where he will spend the week as one of the first campers in this newest of church camps. Miss Peggy Kiser is serving as counselor this week at Nawakwa.

Mr. and Mrs. Raymond Sharrer, George St., and Mr. and Mrs. Harry Fleagle, Middle St., left Sunday for a 10-day vacation trip to visit friends and relatives in Illinois and Ohio.

Mrs. William H. Eggborn, Culpeper, Va., is spending a ten-day vacation with her cousins, A. H. Carpenter and Miss Liza Carpenter, Crouse Mill Rd.

Mrs. Walter Gill and family and Miss Elizabeth Yoder, of White Hall, Md., were Sunday guests of their brother-in-law and sister, Mr. and Mrs. Clyde Wilhide, Keysville Rd.

Mr. and Mrs. Jack Hesley and daughter, Joanne, of Roxlyn, are visiting Mrs. Hesley's parents, Mr. and Mrs. Walter Hiltbrich, Emmitsburg Rd.

The shorter range.

The Polaris, the Navy's potentially deadly submarine weapon, has had its share of troubles. Seven of nine previous two-stage Polaris test rockets failed, but the Department of Defense announced Monday's vehicle attained its main objectives.

Sources reported it hurled a simulated warhead to a selected target area 700 miles away in the ocean.

## LONG PLANS TO BOUNCE 40 OFF STATE PAYROLL

COVINGTON, La. (AP) — Gov. Earl K. Long Tuesday reported on the road to recovery from what psychiatrists have newly labeled a nervous breakdown rather than mental illness.

Along the road the governor carries plans to chop at least 40 persons from state payrolls. Some of them were somehow involved in his being committed to mental hospitals twice this month.

He already has fired three state officials — two of them medical men who held him in one mental institution — and he is divorcing his wife, who had him committed.

Three psychiatrists Monday night said Long, a voluntary patient in a small town motel, suffered from "a nervous breakdown from overwork."

**Suffered Small Strokes**

Their report said the fiery, fast-moving 63-year-old governor recently suffered a small stroke or strokes which, combined with his overactivity, resulted in a marked rundown state.

Noting that Long had a heart

The Missionary Society of Taneytown Presbyterian Church will meet Thursday at 7:30 p.m. at the home of the Misses Amelia and Elizabeth Annan, E. Baltimore St. Marjory Hendricks will lead. The topic is "One Plus One Equals Us."

Mr. and Mrs. Harvey Robinson and daughter, Marjory, of Beaver, Pa., were overnight guests Friday of Mrs. Robinson's mother, Mrs. Marcia Ray, Bankard Terrace, and accompanied her Saturday to Providence Lake, N. H., for a week's vacation.

Miss Freda Stambaugh, Chevy Chase, is spending a week's vacation with her parents, Mr. and Mrs. Jacob Stambaugh, York St.

Mr. and Mrs. William Reck and Mrs. Myrtle Kebner, Hanover, were Sunday dinner guests of Mr. and Mrs. Russell Long, E. Baltimore St.

Mr. and Mrs. Harry Mohney, Uniontown Rd., left Monday to spend several weeks vacationing in Virginia and Florida.

The Rev. and Mrs. Miles S. Reifsnider and son, Sammy, of Baust Church, left Monday for a four-week vacation. They will visit the Rev. and Mrs. Merle Solinger for several days in Concord, N. C., and spend the rest of the time with Mrs. Reifsnider's mother, Mrs. Bertha Sutton, and other relatives in Hayti, Mo.

Russell Long, E. Baltimore St., left Monday for a two-week vacation with his mother, Mrs. Nellie Long, Upper Sandusky, Ohio.

Sunday dinner guests of Mr. and Mrs. Oliver C. Cashell, R. 2, were Mr. and Mrs. Eugene Bogley, their son, Gene, and daughter, Judy, of Darnestown, Md., Mr. and Mrs. Laurence Leonard and son, Johnnie, Laytonville, and Dr. and Mrs. Philip Grey, their daughters, Sharon and Lynn, and sons, Allen and Johnnie, Olney, Md.

Mr. and Mrs. John Wright, of Jefferson, were Sunday dinner guests of Mrs. Wright's parents, Mr. and Mrs. Wilbur Arvin, Feaser Rd.

attack nine years ago, the doctors said: "At this time there is nothing that would indicate that the governor cannot make another recovery."

At present, the psychiatrists said, "the governor is rational, with no intellectual impairment." They added: "We agree with the governor that he is better mentally than physically."

**Three Doctors Report**

The report was by three prominent doctors whom Long had asked for a study of his condition and a prescription for his treatment. They were Drs. Robert Heath and Victor Lief of Tulane University and Charles Watkins of Louisiana State University.

They said the term "paranoid schizophrenia" used in an original finding by Dr. Chester Williams, coroner of East Baton Rouge Parish, committing Long to Southeast Louisiana Hospital at Mandeville June 18 was only tentative.

The governor left his farm home at Winnfield early Monday and took most of the day driving the 225 miles, making some 20 phone calls on the way and announcing he would drop the ax on about 40 officials.

"Forty out of 500. That's not many," he cheerfully noted.

Booby Prize, a Tom Fool gelding, and Sky Clipper, a Citation colt, won races at Mommouth Park this spring.

## WALTZ MILL ATOMIC PLANT IN OPERATION

PITTSBURGH (AP) — Westinghouse Electric Corp. said Tuesday it has started operation of its newest atomic research and testing unit at Waltz Mill in Westmoreland County.

E. T. Morris, manager of the Waltz Mill facility, said atomic reaction now is self-sustained within the reactor. The reactor is located about 30 miles southeast of Pittsburgh.

Westinghouse will use the new reactor in a search for solutions to fuel and material problems that stand in the way of economic nuclear power. Morris said:

"The primary purpose of the reactor will be to subject material and nuclear fuel to radiation conditions similar to those encountered in an operating power reactor. It also may be used for the limited production of radioisotopes for industrial and medical use."

**To Test Fuels**

The reactor is designed to provide appropriate environments for testing power reactor fuels, materials and coolants and for post irradiation examination and evaluation of these tests, the firm said.

## Discoverer Rocket Short On Speed

INGLEWOOD, Calif. (AP)—Why didn't the Discoverer IV rocket fired Thursday from the West Coast go into orbit? Not enough speed, says the Air Force.

To hurl a capsule-bearing satellite into a course around the earth's poles, as planned, the vehicle would have had to reach 18,000 miles an hour.

A Ballistic Missile Division spokesman declined to say whether the first or the second stage was to blame for the insufficient velocity.

uation of these tests, the firm said.

The Saxton project will be a joint undertaking by Westinghouse, General Public Utilities and Gilbert Associates, Inc., of Reading.

The interested parties still are awaiting clearance from the Atomic Energy Commission before beginning construction.

The plant will be tied in with an existing electrical turbine generator unit at the Saxton station of the Pennsylvania Electric Co. of Johnstown and will produce commercial electric power on an experimental basis.

The Waltz Mill operation will not produce commercial power.

## ROBS BANK TO PAY BILLS, THEN TELLS POLICE

MINEOLA, N.Y. (AP) — "I couldn't make ends meet," William J. Sommer, 29, told police. "I had to decide what was best for them."

He referred to his wife and three young sons. He made his decision. As a result he is in jail today, charged with robbing a bank.

Police say he gave this account: Last November he was deep in debt. He couldn't see any way to meet his bills. So he went to the Second National Bank & Trust Co. at Hempstead, N.Y., and shoved a paper bag and a note demanding money into the teller's cage.

He walked out with \$3,000.

**More Debts Pile Up**

It paid part of his debts, but bills kept piling up. Sommer, who worked as a paper handler and lived in nearby Holtsville with his family, had to decide whether to attempt another robbery or admit he was licked.

After several sleepless nights, he finally turned himself in Monday.

Detectives asked him if his wife

## TWO AMERICANS WED IN RUSSIA

MOSCOW (AP) — Two young Americans, whose joint Russian language lessons in the United States blossomed into romance, were married here Tuesday in the St. Louis Des Franciscans Church.

Mary Louise McMahon of Tenafling, N.J., and Dennis Michael O'Connor of Maplewood, N.J., were married by the Rev. Louis Dion, the only American Roman Catholic priest in the Soviet Union.

O'Connor is an American exchange student at the University of Moscow. The couple met while both were studying Russian. She flew to the Soviet Union last week for the wedding.

They will honeymoon in the Caucasus Mountains for three weeks and then leave for a brief tour of Western Europe. They will return to the United States in August.

He knew about the robbery. "I couldn't bear to tell her," he replied.

Police insisted that he phone her.

When he hung up he was close to tears. "She was upset," he told police. "But she said I did the right thing in confessing."

## Littlestown

CARNIVAL IS  
PLANNED BY  
FIRE COMPANY

Plans were furthered for the annual summer carnival of Kingsdale Fire Company No. 1 at the monthly meeting held on Monday evening at the engine house, along the Littlestown-Taneytown Rd. The carnival will be held August 24 through 29 on the grounds in the rear of the engine house. There will be different entertainment each evening, also games, rides, refreshments, displays and other attractions. Books were distributed to the members. Prizes will be given each evening and the grand prize will be a 1959 automobile.

President Roy Koontz was in charge and heard reports from Francis L. Gerrick, secretary and Harry Hess, treasurer. Bills were ordered paid. A donation of \$15 was received for use of the hall.

It was decided to purchase a 20-gallon electric water cooler for installation in the engine house. The radio sets, transmitter and receiver, for a base station, have arrived and will be installed this month at the engine house. Following the business session, refreshments were served. The firemen will meet again on Monday, July 27, 8 p.m. at the engine house, when the social committee includes Wayne Reinaman, Bernard Reinaman and Horace K. Reinaman.

## Snack Club Meets

The Littlestown Tasty Snack 4-H Club met on Monday afternoon in the Grace Lutheran Church parish hall, Two Taverns. Sally Brown, president, presided. The 4-H pledge was led by JoAnn Beamer, after which Anna Mayers, secretary, gave her report. Rebecca Keagy and Sharon Zumbum gave a show and tell on "The Proper Way To Prepare Sandwiches." Miss Finley, Adams County Home economics extension representative, was present and assisted. The girls were divided into two groups, and the older ones made salad and cheese biscuits, and the younger girls made punch and sandwiches, which were then eaten by the

600 Pounds Of Dry  
Ice Burns On Pike

IRWIN, Pa. (AP)—Some 600 pounds of dry ice went up in smoke and flames this hot, humid morning on the Pennsylvania Turnpike near this Westmoreland County town.

State police said a big truck caught fire after its driver ran it several miles on a flat tire. Edward Courtney of Wexford, Pa., had left the truck to seek assistance when the vehicle caught fire. It was owned by Liquid Carbonic, Inc., of Pittsburgh.

Police estimated the loss at close to \$9,000.

girls. The club will meet again on Monday, July 13, 1:30 a.m. at Two Taverns.

Mrs. Melvin L. DeGroot, Mrs. Nathaniel Knowles and Lewis C. V. Lippy comprise the refreshment committee for the July meeting of the Carroll-Adams Riding Club, Inc. at 8 p.m. on Thursday at the clubhouse, "Sunset Hill Farm," near town.

Boy Scout Troop No. 84 will observe Visitors' Night at the campsite, Natural Dam, tomorrow evening. The boys are camping all this week at Natural Dam, and will present a program for their visiting parents and friends. Visitors may enter the campsite by using the footbridge or using the paths along the creek.

## Personal Items

Mrs. Calvin M. Sentz Sr., Cemetery St., and her granddaughter, Miss Barbara Sentz, near town, returned home on Monday evening after visiting for a week in Minneapolis and St. Paul, Minn., with the former's son, Dr. James C. Sentz. On Sunday, they attended the wedding of Dr. Sentz and Miss Erma Carlson Townsley, in Minneapolis. The trip to and from Minnesota was made by plane from Harrisburg.

Douglas Basehoar, son of Mr. and Mrs. Frank E. Basehoar, Patrick Ave., has returned home after spending a week with the intermediate group at Camp Nawakwa, near Arendtsville. Mr. and Mrs. Arthur E. Bair Sr., near town, spent a week with their son-in-law and daughter, Mr. and Mrs. Henry A. King, and children, Joan and James, Atlanta, Ga. Their grandchildren returned with them and spent last week with their relatives in town and now Mr. and Mrs. King have joined them for a visit.

Mobsters Denied  
Review By Court

WASHINGTON (AP)—Three delegates to the 1957 mobster convention at Apalachin, N.Y., who protested against being imprisoned until they talked Monday were denied a review of their complaint by the Supreme Court.

## Abbottstown

ABBOTTSTOWN—The Abbottstown 4-H Busy Bakers met recently at the home of Gloria Breighner with President Janice Baker conducting the meeting, the club's second. A birthday party followed.

Guests at the recent birthday party honoring Danny Hollinger were Michael Shorry, Harold Lillich, Bill Stambaugh, Henry Havestick, Bob Myers, Steve Alwine, George Kroft, Jim Baker, Dale Crawford, Larry Guise, John Griffe and Terry Lawrence.

Mr. and Mrs. Wilford Mummert Sr. left Thursday for a trip to California.

Mr. and Mrs. Henry Landis and family spent the weekend at Cowan's Gap.

Mr. and Mrs. Elmer Butt and Mr. and Mrs. Ralph Butt and daughter, Kathy, have returned from a trip Palmyra, Wis., and Detroit, Mich.

Mr. and Mrs. Luther Bean spent 10 days in Nova Scotia.

Mr. and Mrs. Philip Aumen and son have returned from a weekend trip to Butler, Pa., and Cleveland, Ohio.

Mrs. Mary Carson, Merion Station, is visiting relatives here.

Paradise Church News

Monthly devotions marking the first Friday will be conducted Friday at Paradise Catholic Church with Masses at 11 a.m. and 7:30 p.m. For those unable to attend either Mass, communion will be distributed at 7 a.m. Persons confined to their homes by

They are Michele Miranda, Joseph Riccobono and Paul Castellano. They filed separate appeals to the high court from a decision by the New York State Court of Appeals that upheld orders committing them to jail.

PALACE STROLL—England's Queen Elizabeth and Prince Philip walk with her corgi dog, Sugar, at Windsor Castle. They're to make American tour this month.

## STRAUSS RESIGNS

WASHINGTON (AP)—Lewis L. Strauss Tuesday formally resigned as secretary of commerce—the Cabinet post for which the Senate refused to confirm him.

The resignation is effective at the close of business today. It was announced at the White House which made public an exchange of letters between Strauss and President Eisenhower.

Eisenhower said he was accepting the resignation with personal sadness. And he again paid warm tribute to Strauss, who has been serving by presidential recess appointment since last November.

New racing surfaces at Laurel in Maryland and Aqueduct in New York will be one mile and a furlong on the main track and one mile on the turf course.

Eddie Neville, who won 25 games for the Durham, N. C., Bulls, is now umpiring in the Carolina League.

Release Professor  
On Assault Charge

NEWBURYPORT, Mass. (AP)—Richard E. Welch Jr., 35, an instructor at Lafayette College in Easton, Pa., was accused of assault and battery Monday.

However, the court, noting his profession and a lack of previous record, discontinued prosecution upon payment of \$10 costs.

Welch, a son-in-law of noted author J. P. Marquand, admitted losing his head and striking Daniel M. Orfan, 20, in a property dispute.

Welch and his wife are occupying historic nearby Curzon's Mill. Welch claimed he had been annoyed by trespassers.

Pitcher Cal McLish of the Cleveland Indians says Bill Showron and Elston Howard of the Yankees are two of the toughest hitters for him "because they have such good power to the opposite field."

## KIDS WITH BIG HOPE TROOP TO N. Y. EACH YEAR

By HAL BOYLE

NEW YORK (AP)—Every year they troop here—the kids with the big hope.

They all have the same goal—to make a name in show business, to carve themselves a niche in the American theater.

They come from every part of the land, from every kind of background. Some are the sons of laborers, some are the spoiled daughters of the wealthy. Some wear the stamped neatness of the Ivy League, some look like the born beatniks they are.

Many of them share a startling lack of talent. All share a single thing—a vision of stardom, a picture of themselves posturing before an applauding world.

### Ponders Motivation

Why does anyone set out to be an actor or an actress? What motivates them? I can never decide whether it is blind ignorance,

blind courage, or a blind and mystic compulsion they have no control over whatever.

It can't be sheer ignorance, because most of these kids know what the odds against them are. They know many actors are lucky to make \$1,000 a year at their craft. They know the average performer doesn't earn a fifth as much as a plumber, a tenth as much as a dentist. Yet each is sure in his heart, for a time anyway, "I'll beat the odds."

There is something magnificent and tremulous in the way these young people smash against the impossible. It is rather like watching massed infantry march, singing, into certain disaster against massed artillery. It inspires you even as it breaks your heart.

### Art Is Everything

In the beginning art is everything with them, and money means nothing. They take all sorts of odd jobs to keep them alive while they wait for "the one break."

Few ever get "That big chance" and even fewer go on to real success. Most of them succumb to these twin eroders of most dreams—time and common sense. They give up and go away. And the one in a thousand who

## SYNDICATED TV LITTLE GIANTS TOP BIG NAMES

By CYNTHIA LOWRY

NEW YORK (AP)—Everybody sees "Highway Patrol," but nobody writes about it, to paraphrase an old saying about the weather. This police action show, one of the most popular, is typical of many others equally unsung. These are the syndicated shows—as opposed to network shows—that are sold as a series to individual stations.

Many of these—and there are literally hundreds—are extremely popular, make lots of money and

does come out on top in show business? If he was lonely before, he is now twice as lonely—and three times as fearful.

Success, he finds, is not a perch but a prize fight ring with no real rest between the rounds. Finding "the right role" is now even more terribly important than getting "that big break" used to be.

### Financial Human Pie

He can't afford to take a chance. He is a big financial human pie, cut into many pieces—for the producer, his press agent, his manager, his family, the tax collector.

But if you asked him why he doesn't get out of the business, he'd say, "Are you crazy? After what I went through to get here!"

Why does anyone really want to be an actor? Only an actor knows—and he probably couldn't tell you!

## Mt. Hope

Joy E. Metz

Times Reporter—Phone 135-R-12  
MT. HOPE — Mr. and Mrs. Robert Miller and daughter, Karen, York, spent the weekend with Mrs. Miller's parents, Mr. and Mrs. Allen Currens.

Communion service will be held at the Mt. Hope EUB Church Sunday at 9 a.m. The Rev. Alfred K. Gotwalt is pastor. The offering will be for the building fund.

Mr. and Mrs. Luther Lightner and grandchildren, Donna and Larry Flowers, Baltimore, spent the weekend at the home of Mr. Lightner's parents, Mr. and Mrs.

bring plenty of fame to their producers and stars. Among the best known are "The Silent Service," all about submarine warfare; "City Detective," a police series; "Sea Hunt," a skindiver's adventures; "African Patrol," a cops-and-robbers series filmed near Nairobi; "State Trooper," a western-flavored police casebook, and a raft of others—drama, situation comedy, documentaries, children's shows.

In many places these quiet little giants often attract larger audiences than the network shows which are likely to be their local competition. For instance, in a recent 10-city checkup for Variety, an ARB survey gave "Highway Patrol" a larger audience than Garry Moore's show in one area, "Playhouse 90" in another and "Desilu Playhouse" in still another. "Sea Hunt" in one region did better than Groucho Marx; "Rescue 8" pulled more viewers than Pat Boone and "Border Patrol" had an edge on "Person to Person."

H. W. Lightner.

Mr. and Mrs. Clifton Henry Sr., Reisterstown Rd., spent the weekend at their cottage along the Mt.

Hope Rd.

Mrs. George S. Lambert and daughters, Bonnie and Debra, spent an evening recently at the

home of her father, Roy E. Metz. Mr. and Mrs. Leon Gelwicks and daughter, Ginger Rae, have moved to Baltimore where Mr.

Gelwicks has secured employment with the Bendix Corp.

## PRESIDENT HAS BIG TIME BUT GETS JOSTLED

By MARVIN L. ARROWSMITH  
WASHINGTON (AP)—President Eisenhower appeared to enjoy himself thoroughly. But it's something of a minor miracle if he doesn't have a few bruises.

Chances are that Soviet Deputy Premier Frol R. Kozlov, could match Eisenhower one black and blue spot for another. However, the Kremlin official seemed to have a good time, too.

It all happened Monday in the New York City Coliseum, where Eisenhower met Kozlov for an hour-long official tour of the Soviet Union's scientific and cultural exhibit.

**"Admirable Exhibit"**  
"I think it is a very, very admirable exhibit," Eisenhower said as he completed his visit. "I think it is lovely."

But during their tour, the two men were propelled — pushed, jostled, shoved — around the big exposition hall as the crowds of spectators and newsmen crushed in from all sides.

Scores of New York police were hard put at times to stay on their own feet. The Secret Service agents especially responsible for Eisenhower's security also had a rough time. The Soviets assigned to Kozlov must have had some anxious moments.

But the President and Kozlov, who arrived from Moscow Sunday, smiled through most of it.

Eisenhower laughed heartily at one point and assured his Soviet hosts: "I've been pushed around for six years. I'm used to it."

Kozlov took it in apparently equal good humor, replying: "Well, we won't resort to tear gas and clubs."

They didn't even appear to be aware that some of the top United States officials who accompanied the President to the fair, including Vice President Richard M. Nixon and Maj. John Eisenhower, the President's son, got hopelessly cut off from the touring party after the first few minutes.

### Orrtanna

Mrs. Luther Wetzel  
Fairfield 125-R-21

ORRTANNA — Mr. and Mrs. Dale Herring and family spent Saturday evening with Mrs. Herring's brother-in-law and sister, Mr. and Mrs. Samuel McIntire and family, near Waynesboro.

Mrs. Kermit Wetzel and daughter, Candy, and her stepfather and mother, Mr. and Mrs. S. C. Hunley, Solley, Md., visited a day last week with the former's parents-in-law, Mr. and Mrs. Luther Wetzel.

Miss Jean Biggs, delegate to the Methodist Conference at Williamsport, submitted a report to the churches of the charge, Bendersville, Wexville and Orrtanna, on Sunday during their worship services.

Keith Biesecker is spending this week as guest of his grandparents, Mr. and Mrs. Paul Thomas, Hanover.

Charlie Spence Sunday was a guest of Mr. and Mrs. Clarence Heintzelman, Waynesboro.

Mr. and Mrs. Paul Thomas Jr. and son, Mark, York, spent the weekend with her parents, Mr. and Mrs. Walter Tressler.

Mr. and Mrs. Alvah Stonesifer, here, and Mr. and Mrs. Alvah Stonesifer Jr., Littlestown, were recent guests of Mr. and Mrs. Robert Stonesifer and family, Pasadena, Md.

Mr. and Mrs. Webb Black and Miss Mary Webb, Frederick, Md.; Mrs. Gail Schmidt and Mr. and Mrs. Robert Smith, Chambersburg, visited last Tuesday with Mrs. M. L. Cease.

Mr. and Mrs. C. H. Wolford will observe their 52nd wedding anniversary on Sunday.

## 2 Boys Killed By Train On Trestle

CALEDONIA, N.Y. (AP)—Two boys, frozen in terror, huddled on a railroad trestle Monday as a pounding freight train bore down on them.

Paul Lathan was knocked off the bridge and into the creek 20 feet below. He died on his 7th birthday.

His friend, William Hayward, 8, was dragged to death by the engine.

The boys were on a fishing trip with Paul's father Norman.

The boys were on the narrow side, the father on a catwalk opposite.

"I saw that train and I hollered to the boys to get across the track to the catwalk," Lathan related. "Then the train came by. When it passed, I looked across and they were gone."

## Absentee Voting Nears Completion

HARRISBURG (AP)—The process of extending the absentee voting privilege to civilians was a step closer to completion today.

The House Monday night approved 195-1, and sent to the Senate legislation to implement a constitutional amendment by voters in 1957.

If the Senate and Gov. Lawrence also approve, the process would be completed for the 1960 elections.

Dean Naugle, Orrtanna, returned home Saturday after completing a four-week training course at the Utility Engineering Institute in Chicago. He studied diesel motors and motor tuneups. He had completed a year of correspondence courses before going to Chicago for the course. He was one of 18 who received diplomas upon completion of the month's training. He is the son of Mr. and Mrs. Arthur Naugle. He is married and the father of a two-year-old child.

Miss Jean Biggs, who attended the Methodist Conference at Williamsport recently, visited with Mrs. Hobart Spaid, Mifflinburg, and Miss Gertrude Shuler, Millersburg, last week.

Mrs. Max Cease and Miss Jean Biggs attended the wedding of Miss Barbara Ann Borke, New Cumberland, to Wayne Baumgardner, Taneytown, Saturday afternoon in Trinity Evangelical Lutheran Church at Taneytown. The Rev. Stanley Jennings performed the ceremony.

## SEARCH DESERT FOR YANKS LOST 16 YEARS AGO

By BRACK CURRY

FRANKFURT, Germany (AP)—An expanded U.S. Army team will launch a new search in the Libyan desert next month for the bodies of the nine-man crew of an American bomber that crashed mysteriously during World War II.

American officials said Tuesday both helicopters and vehicles will be used.

This team expects to spend at least 30 days in a search of the sandy wastes where temperatures soar to 130 degrees and higher.

**Trail Of Markers**

The Americans are believed to have bailed out of their B24 plane 16 years ago after a bombing raid on Naples, Italy. Their Liberator was found by geologists searching for oil earlier this year. The nine crew members were reported missing and presumed dead in 1943.

A U.S. Army military team composed of Capt. Myron D. Fuller and Wesley A. Neep and an oil exploration crew in May combed 200 square miles of the

## Plan Appeals For Still Operators

PHILADELPHIA (AP)—Attorneys mapped appeals today for eight men convicted of conspiracy in the operation of an illegal still in Reading, Pa.

The eight were convicted Monday after a three-week trial in which more than 200 witnesses were heard. The jury acquitted a ninth man, Anthony Capoferri, of Camden, N. J.

Those convicted were Abe Markowitz, 34, president of the David Realty Co. of Reading, owner of the building where the still was raided June 7, 1958; Charles Venezia, 47, Angelo Sgro, 36, Anthony Farese, 45, and Joseph Lemacchia, 43, all of Philadelphia; Henry Kush, 47, North Plainfield, N. J., and James Chieppa, Livingston, N. J.

desert and found a trail of markers apparently left by the lost airmen.

Neep, of Seattle, Wash., in an interview Tuesday said more men and vehicles will be used in the new search.

Neep said the bodies if found would be skeletal, but there will be no trouble in identification.

John Walker, an English drugist who died 100 years ago, made the first friction match.

## MANY REDS ARE DEFECTING TO BETTER LIVING

WASHINGTON (AP)—A record number of Soviet diplomats are reported to have defected to the West in the past week.

Responsible officials who reported this Tuesday said it was the biggest flight to freedom by Soviets that they could remember. They declined to reveal the numbers.

Some of the defectors are understood to have been granted asylum by American authorities in keeping with the government's long-standing policy of providing a haven for such escapees.

A young Soviet diplomat who took refuge in the U.S. Embassy in Burma is reported to be only one of many similar cases.

**Want Better Living**  
Most of the others are described as of medium-rank and "knowledgeable" in the inner workings of Soviet activities in their particular fields.

Officials who talked about the defections in most guarded terms said the reasons for the record flights appeared to be:

1. Soviet diplomats overseas are

becoming disillusioned with the continued round-the-clock secret police watch on their activities.

2. An increasing number have succumbed to the lure of better living conditions, plus freedom, to which they are exposed daily in

their diplomatic life outside the U.S.S.R.

Authorities cautioned, however, against viewing the stepped-up flow of defectors as any sign of a deep-rooted restlessness among Soviet diplomats.

Herb J. Brett, general manager of the Raleigh, N. C., Capitals, founded the Carolina League in the winter of 1944-45.

The United Nations has recommended a worldwide minimum age of 14 for both sexes to marry.

## WORLD BRIEFS

MOSCOW (AP) — Automation and scientific research were stressed Tuesday in new orders to Soviet industry to meet production targets set by Premier Nikita Khrushchev in his campaign to catch up with the United States. The Communist party's Central Committee called for modernization of industry under the new seven-year plan to boost output and production standards.

NEW DELHI, India (AP) — The Indian government made clear Tuesday it does not support the fugitive Dalai Lama's claim that he is running the real government of Tibet from his self-imposed exile in India.

A Foreign Ministry spokesman said the Indian government does "not recognize any separate government of Tibet and there is therefore no question of a Tibetan government under the Dalai Lama functioning in India."

India recognizes the Chinese Communists as the legal government of China and also recognizes China's claim to sovereignty over Tibet.

SAPPORO, Japan (AP) — Thirty-seven Japanese fishermen came home Tuesday after a year in Soviet captivity on charges of trespassing.

Soviet Ambassador Nicolai T. Fedorenko warned that Japanese fishing boats will not be safe in northern waters until Japan signs a World War II peace treaty.

Signing a peace treaty was delayed because of a dispute over the Soviet-held Kurile islands, which Japan claims.

ATHENS (AP) — The Greek government is going to ring Athens with Nike missile bases to protect the capital from air attack, an Air Ministry spokesman said today. Greek officers and men are already in the United States training to use the surface-to-air anti-aircraft missiles, he said. Construction of the bases on mountains overlooking Athens is due to be completed by the end of 1960.

WASHINGTON (AP) — The White House announced Tuesday that Prime Minister Antonio Segni of

Italy will visit the United States this summer at the invitation of President Eisenhower.

BROOKFIELD, Conn. (AP) — Eight-year-old Brian Henderson was electrocuted Monday while clambering about in a tree when his body came in contact with a high-tension wire.

SYRACUSE, N.Y. (AP) — "I'm not kidding," said the nervous bandit Monday. "Don't be foolish. You'll get yourself into trouble." said the woman bank teller, whose name was not released. With that, the young man took back his check made out for \$1,000 and his note saying "give me the money or someone will get hurt," and left the downtown office of the First Trust and Deposit Co.

PHILADELPHIA (AP) — Uncle Sam's tax agents have checked 20,162 business firms in 22 eastern Pennsylvania counties this year and found 5,909 delinquent.

Edgar A. McGinness, district director of the Internal Revenue Service, said today \$474,775 of a total liability of \$601,234 already had been collected. He said the delinquent firms failed to file income and withholding tax returns.

DELAND, Fla. (AP) — Howard Delp, 28, of Levittown, Pa., was freed in court Monday on charges of breaking and entering a plane.

Delp was accused of stealing a plane in Daytona Beach March 28. He was arrested when he landed at St. Augustine. Delp said he did not remember taking the plane.

He was freed when State Atty. W. W. Judge testified that Delp had paid \$250 for damages to the plane owned by Volusia Aviation Service.

HARRISBURG (AP) — Restaurants and hotels with liquor licenses would be allowed to sell alcoholic beverages on Sunday under a proposal introduced in the Senate by two Philadelphia Democrats.

Companion measures offered by the two senators also would authorize beer sales in baseball parks which seat 25,000 or more persons.

## ANCIENT ITEMS MAKE UNUSUAL HISTORY FENCE

ST. AUGUSTINE, Fla. (AP) — When Victor Rahner decided to build a fence in his back yard, he had some unusual material to work with, including a piece of coffin dating back to 1574.

The idea of a historic fence came to Rahner when work started on widening a street near his home.

Rahner, who had collected historic objects for years, joined others in hunting souvenirs uncovered when the dredge started pumping sand from the bayfront.

**Finds Souvenirs**  
He found such souvenirs as pottery, broken bottles, ammunition pellets and parts of old ships.

"I collected a number of objects and friends gave me quite a few," he says. "I had planned to build a fence in the back yard for several years so I got the idea of embedding these historic objects in the fence."

To keep everything on a historic plane, Rahner hired Louis Solana to put the fence together. Solana is a descendant of the oldest documented family in the continental United States as well as a brick mason.

The fence was built primarily of brick and coquina rock, much of it used in early construction in this city. The chunks of coquina came from the old governor's palace, a fort, city library, old city gates, oldest house and other historic buildings while renovations were being made.

**Prized Item**  
Bits of pottery, olive jars, rum bottles and other items were added to the fence for a colorful effect. There also are bottles of sand, ink wells, ammunition pellets, steer horns found in the bay and a piece of an old Spanish sailing vessel.

The prized item is a piece of the coffin of Pedro Menendez de Aviles, who founded this city in 1565 and died in 1574.

BATTLE CREEK, Mich. (AP) — Nathan P. Colwell, 54, director of radio and television for the Office of Civil and Defense Mobilization, died Monday of a heart attack. He held the OCDM post since 1955 and earlier worked for the Treasury Department and in similar jobs. He was born in Chicago.

Sens. Thomas C. McCreesh and William Vincent Mullin offered the proposals Monday.

The legislation which would authorize liquor sales on Sunday would apply only to hotels and restaurants whose sales of food and nonalcoholic beverages make up 65 per cent of the gross receipts.

PERKASIE, Pa. (AP) — Funeral services will be held Friday for Charles Baum, 88, co-publisher of the Perkasio News-Herald. He died Monday in Grand View Hospital, Sellersville. Baum was a native of Easton and came to this Bucks County area as a child. He bought the Central News in 1914 and merged it with the Sellersville Herald 29 years later.

He is survived by two sons.

HARRISBURG (AP) — A proposal to set up a new department to handle the Commonwealth's mental health services has been received by the Senate.

The legislation was introduced Monday by Sen. Albert R. Pechan (R-Armstrong). It would take mental health from the Public Welfare Department and make it a department headed by a commission with cabinet status.

PLAIN OR FANCY — Yuriko Sinoto, 7, demonstrates the technique of paper-folding at an exhibition of the ancient Oriental art in Cooper Union Museum in New York.

## GIFT IDEAS FOR MARINERS

By DOROTHY ROE  
The Associated Press

If dad is a seafaring man, your Father's Day gift problem is simple.

About one out of every three U. S. males will take to the water this summer in sailboats, motor cruisers, canoes and rowboats. And every one of them needs a complex and specialized amount of gear.

When a man takes up any sport, he becomes a perfectionist. He wants special clothes, special equipment, special gadgets — all as professional as he can get them. And the sailing man seems more particular than the others, if possible.

**His Clothing**  
He must have exactly the right

kind of topside deck shoes — just old tennis shoes are considered de trop. His dungarees or white ducks must be cut exactly right, with the correct salty air. His T-shirts and pullovers must be the kind that take to the sun and surf with equanimity. His foul-weather gear must be suitable to a seasoned old salt.

In addition, if he owns his boat, the gadget possibilities are endless. He always is needing new line, anchor lights, running lights, chamois deck mops, charts, life jackets or cushions, cocktail flags, glasses bearing his boat's name or pennant cocktail napkins with special insignia, lighters that work in a high wind, boat hooks, galley equipment and so on and on.

**Fishing Equipment**  
In addition he probably will welcome fishing equipment, which opens up a whole new field of rods, reels, bait boxes and such. And if he sails he probably swims,

## MAKES LIVING ON CRICKETS

WARSAW, Ind. (AP) — Mrs. Susie Melton suddenly finds her

so you can please him with new swim shorts, terry droffoff jackets, flippers, snorkels, spearguns and other skin-diving equipment, up and including an aqualung.

If he's a rowboat man, you might consider an outboard motor. If the budget will stand it. If he's a sailing man, a new sail is almost always about to be needed — but these run high, too.

But here's one word of caution — whatever you buy for him, be sure it's the best of its kind, bought in a shop that specializes in boating gear. When selecting a gift for a man with a hobby, don't go bargain hunting. Save that for another day.

## DEATHS

By THE ASSOCIATED PRESS

TRENTON, N.J. (AP) — Joseph A. Kerney, 71, vice president of the Trenton Times, died Sunday after a short illness. He directed advertising for the Times newspapers for 30 years. Earlier he had served as a White House correspondent during President Wilson's administration and as Chicago correspondent for the old New York World.

WILKES-BARRE, Pa. (AP) — Barbara Willis, wife of Frank L. Willis, treasurer of Eberhard Faber Pencil Company, died Sunday. She was born in Colorado Springs, Colo.

Chicago fronts on Lake Michigan for 29 miles.

self a cricket-breeding expert, but she's not quite sure how she did it.

For several years the determined housewife of nearby Etna Green has been raising crickets for use as bait by fishermen. But it seems crickets must refuse to breed in captivity, and not even expert scientists have been able to overcome the insects' demand for privacy.

Mrs. Melton has had her troubles with the chirping creatures. Once she had her brood up to 750,000 but they were all roasted when her cricket hatchery overheated.

**Heater Stops**  
Another time the heater conked out, and the crickets froze. But Mrs. Melton refused to be outwitted by a bunch of bugs and kept at it until she has managed to breed 11 generations of crickets. College entomologists want to know how she did it.

"But darn it, I'm not sure," she says. "It could be the bins, bedding, food, temperature, controls — or all combined. I'll keep experimenting until I know."

Mrs. Melton isn't putting all her bait in one basket. Just in case the bottom drops out of the cricket market, she has started raising worms.

## Model Housewife Commits Suicide

LONDON (AP) — Dorothy Olsen-Smith was a model housewife. Often she got up at 6:15 a.m. and polished and dusted until 10 at night.

The pride the 31-year-old woman took in her little suburban home killed her.

In a suicide note to her husband, she wrote: "I feel I am making your life a misery because I have no time for anything else but housework."

She moved an armchair into her spotless kitchen, turned on the gas taps, and set her two young girls on her lap.

Her husband, Cyril, told a coroner's court he found them when he returned home from work. His wife was dead. So was Vivien, 5. Marion, 2, recovered.

Honduras, with an area of 43,777 miles, is almost equal to the combined area of the Netherlands, Switzerland and Denmark.

## They Traded Comfort, Security For Hardship

**By WATSON SIMS**  
KATMANDU, Nepal (AP) — The stout, motherly American woman replaced the bandage on the Tibetan patient's head and agreed that Katmandu is a long way from Wilmington, Del.

"It surprised some people when my husband and I offered to come to the mission hospital," says gray-haired Mrs. Elizabeth Miller. Four years ago Edgar and Elizabeth Miller were comfortably established in the social and professional life of Wilmington. Both were doctors, and over 27 years of joint effort they had built up a large practice.

They had a modern, well equipped clinic, where the husband specialized in cardiology, the wife in internal medicine. They had raised two children to adulthood and marriage. They were in good health, things were going well, and they could look forward to a pleasant and comfortable old age.

Both in 50s  
Then with both in their middle fifties, they offered to sell their 16-room house, say goodbye to the children and grandchildren and become medical missionaries in one of the world's most primitive countries.

Had the Millers been running away from something? Were they fired by the zeal of a sudden "conversion" which might not last? Had they given too little thought to the handicaps of practicing medicine in Nepal?

"They were fair questions," says Mrs. Miller. "Don't think they weren't asked by the psychiatrists. But this was something we had thought of for years, and when the time came we made up our minds in two minutes."

The Millers are among the more unusual recruits to an equally unusual hospital.

**Founded By Classmate**  
Bethel Flemming, a college classmate of Mrs. Miller, the main building of the United Mission hospital is a rented palace on the outskirts of Katmandu. The building has marble floors, but its laboratories are of the improvised and even handmade variety.

The hospital is supported by 14 American Protestant denominations, yet is forbidden by law to try and convert its largely Hindu clientele. Hinduism is the state religion of Nepal, protected by the throne and the constitution.

Even political problems haunt the hospital staff, for the Russians have agreed to build a 50-bed hospital only a few miles away. A modern medical center with a highly trained Soviet staff could point up the deficiencies of an improvised hospital struggling to get by on church contributions. The Americans worry that this may bring a grim form of the cold war to Katmandu Valley.

The United Mission hospital nearly always has patients in each of its 65 beds and others on the floor. Last year it dealt with 3,899 patients, drawn from all over Nepal and many from across the mist shrouded border of Tibet.

**None Are Surgeons**  
Plastic surgery and other complicated operations must be performed by mission doctors on periodic visits from India, for none of the four doctors on the hospital staff are surgeons. Yet since leaving Wilmington, Mrs. Miller says, she and her husband have learned that in mission medical work doctors must "do what they have to do."

An illustration was last year when the Millers visited an out-station clinic of the hospital, 60 miles and a six-day trek from Katmandu.

"Nurses from the clinic ran to meet us before we arrived," explains Mrs. Miller. "A man had accidentally shot away his hand and was bleeding to death." The bullet had splintered the

bone unevenly. It was essential that the bone be evened and bound off. But there were no surgical instruments to do the job. To make matters worse it was growing dark, and the only lights at the clinic were lanterns. Open flame is notoriously dangerous in the presence of ether, which the patient would have to receive.

**His First Amputation**  
Still the operation could not wait, and Edgar Miller did what he had to do. From a carpenter, he borrowed and sterilized an ordinary saw. Then, by the flickering light of the lantern, sweating profusely and praying, Dr. Edgar Miller performed the first amputation of his career. The operation was successful and the patient survived.

"We've learned to do a lot of things we had never done before," says Mrs. Miller. "It has been a whole new school of medicine for us. Until we came to Nepal we had never seen a case of leprosy, smallpox, cholera, or many other diseases that we treat almost every day."

Between attending patients, struggling to master Nepali language and worrying that a medical form of the cold war came to Katmandu Valley, Mrs. Miller finds much to occupy the few idle moments she might have been devoting to club and social life in Wilmington.

The United States maintains a large technical aid missions in Katmandu, with more than 40 American families living in the valley. There is no shortage of dinner invitations, which the Millers gratefully accept.

**Have American Friends**  
"We're delighted to have American friends and enjoy their company tremendously," says Mrs. Miller. "But I must admit that it's good to eat American food occasionally."

After four years of the struggle, loneliness and hardship that missionaries face, have the Millers found what they were seeking in Nepal?

"It hasn't always been easy," says Mrs. Miller. "An old woman misses her children and grandchildren. But you must remember that this is something Edgar and I talked of doing when we were students at Dickinson College (Carlisle, Pa.). It took us a long time—some would say a lifetime—to get around to it, but eventually we did what we always wanted to do. I'm sure that if the decision came up in the same way tomorrow we'd do it all over again."

ADVERTISE IN THE TIMES

## Reeves Had Tried Suicide Earlier

HOLLYWOOD (AP)—Six weeks before actor George Reeves committed suicide, his fiancée wrestled the death pistol away from him and fired two shots into his bedroom floor, the police have been told.

The police said Monday the report came from a woman friend of Miss Leonore Lemmon, New York cafe society figure who has said she was engaged to marry Reeves, television's Superman. Reeves shot himself June 16.

### WOMEN'S OPEN IS SET

PITTSBURGH, Pa. (AP)—The seventh Women's Open golf championship of the USGA will be held June 25-27 at the Churchill Valley Country Club here. A total of \$7,200 will be distributed to female professional golfers. Top prize is \$1,800. The championship will be a 72-hole event.

### TROUT GET A BREAK

RICHMOND, Va. (AP)—The Virginia trout season opened this year on Saturday. This was at the request of education officials who reported too much absenteeism in schools when the opening came on week days.

### WINS BIG ON SATURDAYS

LEXINGTON, Ky. (AP)—Bill Hartack made it three stakes victories on as many Saturdays. After winning the Florida Derby with Jim Norris' Easy Spur, he scored at Keeneland with Bumpy 1957.

"God grants liberty only to those who love it and are always ready to guard and defend it."  
—Daniel Webster  
As America celebrates its 184th Independence Day — Saturday, July 4th — let us not forget the importance of these famous words.
